SUBJECT: Nominations for the Parking Advisory Board

I am seeking nominations for the Parking Advisory Board.

Under Article 6 §26.1801 of the San Diego Municipal Code, the purpose and intent of the Parking Advisory Board is to serve as an advisory body to the Mayor and City Council on policy issues related to parking. The Board facilitates information exchange between the Community Parking District advisory boards, parking impacted areas, citizens, and City staff, to enhance the effectiveness of parking options and solutions. Also, the Board conveys community concerns, advises the Mayor regarding parking control implementation decisions, provides support and input to Community Parking District advisory boards, and addresses other parking-related policy matters.

Each council district may submit up to two names for consideration for appointment to represent their district. I will appoint one member for each district from the nominees provided by City Councilmembers. Members should possess a strong interest in parking related issues and represent residential or commercial concerns.

Please submit nominations by September 19, 2014.
