Faulconer Launches Meet the Mayor Neighborhood Events
Mayor will greet constituents in every council district in coming months

San Diego, CA – Mayor Kevin L. Faulconer will kick off a series of "Meet the Mayor" neighborhood events in Clairemont on Thursday night.

Faulconer will speak with San Diegans about his vision for the City and then listen to concerns and take questions from the audience. The events are free and open to the public.

"The best way to run the City is to hear directly from the people you serve," Faulconer said. "I want to talk with community leaders and everyday San Diegans about what the City can do to make their lives and neighborhoods better. I know how busy people are so I plan to take the conversation to them."

Faulconer will hold at least one "Meet the Mayor" event in each City Council district over the coming months. The series will then continue regularly in neighborhoods throughout the city.
