Dear Mr. Ford:

Subject: Approval of Fernco Inc. pipe couplings for the Wastewater Approved Materials List

This letter is in response to your application which your firm requested the City of San Diego (City) to evaluate and approve the Fernco Inc. sewer pipe repair couplings.

The City has completed the review of this application and determined that adequate information has been presented to approve the Fernco Inc. Series 5000 RC (Repair Couplings) with 316 stainless steel nut and bolt clamps and Series 1000 RC (Repair Couplings) with 301 stainless steel worm gear clamps, both with 300 stainless steel shear ring.

The approval of this product for use on the wastewater system will be included in the next Wastewater Approved Materials List update.

The acceptance and approval of the Fernco Inc. product are contingent on the following conditions:

- 1) Fernco Inc. product is manufactured and assembled at 300 S. Dayton Street, Davison Michigan 48423.
- 2) Fernco Inc. shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) Fernco Inc. shall provide application/installation procedures for the product to ensure it meets the Standard Specifications for Public Works Construction (Greenbook) and City's Whitebook 2012. The installer shall meet the specification conditions required for the
