Agenda

Members of the Independent Rates and Oversight Committee will travel to the Los Angeles Area to tour the Los Angeles Hyperion Plant (see address above). The purpose of the visit is to learn from staff of the Hyperion Plant about their experience with Secondary Treatment and to make comparisons between San Diego's sewage treatment system and Los Angeles' sewage treatment system.

We will be meeting at the Metropolitan Operations Complex (location above), departing at 7:15 a.m. and returning back to the Metropolitan Operations Complex by 5:00 p.m.
