

THE CITY OF SAN DIEGO

September 5, 2013

Mr. Ron Brudwick
Sales Manager
Oldcastle Precast, Inc.
2735 Cactus Road
San Diego, CA 92154

Dear Mr. Brudwick:

Subject: Approval of Oldcastle Precast Manhole Component Products for the Wastewater Approved Materials List

This letter is in response to your application in which your firm requested that the City of San Diego (City) evaluate and approve the Oldcastle Precast manhole component products.

The City has completed the review of this application and determined that adequate product information has been presented to approve Oldcastle Precast manhole components and precast manhole bases.

The approval of these products for use on the wastewater system is effective as of the date of this letter and will be included in the next Wastewater Approved Materials List update.

The acceptance and approval of the Oldcastle Precast manhole products are contingent on the following conditions:

- 1) Oldcastle Precast manhole precast products are manufactured and assembled at 2434 Rubidoux Boulevard, Riverside, California, 92509.
- 2) Oldcastle Precast shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.

- 3) Oldcastle Precast shall provide application/installation procedures for the products to ensure they meet the Standard Specifications for Public Works Construction (Greenbook) and the City's Whitebook 2012. The installer shall meet the specification conditions required for the proper installation of the product as specified by Oldcastle Precast or any of Oldcastle Precast's authorized suppliers.
- 4) Any unilateral action by Oldcastle Precast without prior consultation and agreement from the City in regard to the above mentioned conditions and limitations shall constitute a breach of agreement resulting in the removal of Oldcastle Precast products from the City's Wastewater Approved Materials List.

Congratulations on your success in being included in the City's Wastewater Approved Materials List.

Sincerely,

Tung Phung, P.E.
