

**SAN DIEGO COUNTY
EMPLOYMENT, TRAINING & BUSINESS RESOURCES
FIRE VICTIM ASSISTANCE
FACT SHEET**

General Information

The San Diego region's workforce system is prepared to assist the City of San Diego and County of San Diego with fire victim assistance and recovery services. The California Employment Development, the San Diego Workforce Partnership, and the region's Career Center Network have valuable employment- and workforce-related resources to contribute to San Diego County residents and businesses at this time of need.

Why Are We at Local Assistance Centers

Our role (EDD and the San Diego Workforce Partnership) is to provide information and assistance to businesses and workers on employment- and workforce-related issues.

We Offer the Following Informational Services and Resources:

(These resources will be available at LOCAL ASSISTANCE CENTERS throughout the County)

- ☞ Information packets with overview and contact information on the following:
- ☞ California Employment Development Department Unemployment Insurance (including Disaster Unemployment Assistance).
- ☞ California Employment Development Department Disability Insurance. (EDD-DI)
- ☞ Rapid Response (layoff and business closure assistance provided by the San Diego Workforce Partnership and the California Employment Development Department).
- ☞ San Diego Workforce Partnership Career Center Network (includes a map and service information).
- ☞ San Diego Employers Association Business Assistance flyer.
- ☞ California Employment Development Department Job Service and Cal Jobs (online job search).
- ☞ Additional employment resources – e.g. current list of temporary agencies.
- ☞ San Diego Department of Industrial Relations flyer.
- ☞ Copies of “Getting Back on Track, Strategies & Ideas for Coping with Unemployment” (available in English and Spanish), produced in partnership by United Way, San Diego Workforce Partnership and Manpower).

Staffing

- ☞ EDD and Career Center staff will be at multiple local Assistance Centers.
