### KEEPING THE POOLS CLEAN & OPEN

- When the pool is contaminated with fecal matter, the pool must close.
- Take your children on restroom breaks and check diapers often. Waiting to hear "I have to go" may mean that it's too late.
- Children less than 4 years of age are required to wear a tight fitting "swimsuit diaper". Please check condition of diaper regularly.
- Change swim diapers in the restroom or a diaper changing area; **not in the pool area**. Germs can be spread in and around the pool.
- After using the restroom, thoroughly cleanse (especially the diaper area) with soap and water before swimming. Invisible amounts of fecal matter can be spread into the pool.
- Patrons are not permitted to swim in the pool if they are suffering from an illness that causes diarrhea or have had diarrhea in the past two weeks. You can spread germs in the water and make other people sick.

**All classes are Monday–Thursday (2-weeks)  
Fee: \$54.00**

## SWIMMING LESSONS LEVELS AND OBJECTIVES

### 6 months to 3 years

#### PARENT and TOT (P/T)

This water orientation class is designed to teach the parent or responsible adult how to safely and effectively manage their infant or toddler in the water and to teach basic water safety skills. It is not designed to teach children to survive in the water on their own. Participants will remain in this class until they turn 3 years of age.

### 3 to 5 years

#### TINY TOT: Water Adjustment (TT)

This introductory class is designed for new participants and will encourage confidence, skill development and fun through water adjustment activities. Participants will remain in this level until they are comfortable in the water and follow directions without tears or cries for parents, and are competent in the skills listed below. Participants must be comfortable performing skills without the use of goggles.

#### ADVANCED TOT: Fundamental Skills (AT)

Successfully pass or be competent in all skills required in the Tiny Tot Water Adjustment skills. This class is designed for participants to become proficient in fundamental aquatic skills, and to introduce more advanced safety concepts and skills.

#### SUPER TOT: Stroke Development (ST)

Successfully pass or be competent in all skills and objectives for Advanced Tot. This class is designed for participants to master basic swimming skills, develop and coordinate strokes, and to increase stamina and pool safety awareness

### 6 to 15 years

#### LEVEL 1: Fundamental Skills (L1)

There is no prerequisite for this class. It is designed for children with little or no experience in the water. This class is designed for participants to become proficient in fundamental aquatic skills, and to introduce more advanced safety concepts and skills.

#### LEVEL 2: Stroke Development (L2)

Successfully pass or be competent in all skills and objectives for Advanced Tot or Level 1. This class is designed for participants to master basic swimming skills, develop and coordinate strokes, and to increase stamina and pool safety awareness.

#### LEVEL 3: Stroke Improvement (L3)

Successfully pass or be competent in all skills and objectives for Super Tot or Level 2.

#### FITNESS SWIMMER: Stroke Refinement (FS)

Successfully pass or be competent in all skills and objectives Level 3. This class is designed to refine participant's strokes and skills by utilizing a variety of water activities, including fitness, endurance swimming, and personal safety skills.

#### COMPETITIVE SKILLS: Stroke Refinement (CS)

Successfully pass or be competent in all skills and objectives Level 3. This class is designed to refine participant's strokes, increase endurance and to introduce new skills to prepare for the City of San Diego Recreational Level Swim Team.

#### WATER POLO BASICS: Introduction to Water Polo (WP)

Successfully pass or be competent in all skills and objectives Level 3. This class is designed to increase endurance in and to introduce new skills to prepare for the City of San Diego Recreational Level Water Polo team.

- It is important to enroll your child in the correct class; necessary transfers may result in the change of class days and times. For specific information on class prerequisites or levels placement, please contact Pool Staff.
- An appropriate swimsuit is required at all times. Swim diapers are required for children under 4 years old regardless of toilet training.
- If you have a child under the age of 7, a parent or responsible adult must remain in the spectator area at all times during Swimming Lessons and Swim Team Programs.
