

Torrey Pines Encourages Everyone to Play

“READY GOLF”

READY GOLF does not cause you to “RUSH” –

It means thinking ahead and being ready to play when it's your turn!

ON THE TEE

- Play from the appropriate tees for your ability.
- The player that is ready should hit first... don't worry about “honors”.
- Short hitters should hit first, if ready, before longer hitters.
- Carry an extra / provisional ball in your pocket. Use it if your first ball might be lost or out-of-bounds.

TEE TO GREEN

- Take the appropriate number of clubs when you approach your ball.
- Limit yourself to one practice swing while waiting for your turn to hit.
- Be ready to hit when it is your turn.
- Watch carefully where all golf shots go to eliminate lost golf balls.

ON THE GREEN

- Align your putt while waiting for your turn to putt so you are ready.
- Continue to putt until holed out – don't mark your ball unless you are on someone's line.
- 1st player to hole his ball tends to the flagstick.
- Park your golf cart or leave your bag between the green and the next tee where practical.

SHORT CUTS

- Don't record your score until you reach the next tee.
- If driving a cart, drop your partner at his ball and continue driving to your ball.
- Be conscious of the 5 minute lost ball rule.

Slow play affects everyone, so Please – Play READY GOLF and always keep up with the group in front of you for the enjoyment of all.
