The City of San Diego Park and Recreation and Urban Corp are pleased to announce the re-grand opening of Chicano Park. The Chicano Park Recreation Improvement Project was funded through a grant from the California Department of Housing and Community Development and made possible by Prop. 1C. Improvements include new playgrounds, a handball court, adult fitness area, a skate area, improved landscaping, and fountain restoration.

Please join the City of San Diego Park and Recreation Department, Urban Corps, San Diego Mayor Kevin Faulconer, Councilman David Alvarez, and the Chicano Park Steering Committee as we come together for a ceremonial ribbon cutting to celebrate the successful completion of the Chicano Park Recreation Improvement Project.

Speakers will include: San Diego Mayor Kevin Faulconer; District 8 Councilman David Alvarez; Tommie Camarillo, Chair of the Chicano Park Steering Committee; San Diego Park and Recreation Director Herman Parker, and Urban Corps CEO Rob Chávez, among others.
