Park & Recreation

The Park & Recreation Department oversees more than 41,000 acres of developed parks, open space, underwater park, golf courses, and two cemeteries within the City of San Diego. The park system provides a wide-range of recreational opportunities for San Diego citizens and visitors alike. The Capital Improvement Program (CIP) plays an important role in providing new facilities and addressing deferred capital of existing facilities. To meet our goal of providing quality parks and programs, it is important to continually invest in capital improvements to keep park facilities available for recreational activities and safe to use. With 56 recreation centers, 13 aquatic centers, approximately 300 playgrounds in 9,100 acres of developed parks, as well as over 26,000 acres of open space, and the 80 acre Mt. Hope Cemetery, the Department continually seeks funding for capital improvements ranging from roof replacements to playground upgrades to trail enhancements. The Department's three golf course complexes continually invest in capital improvements to keep the courses in an enjoyable and playable condition. Department CIP projects derive from a variety of sources, including facilities benefit assessments, park development fees, development impact fees, maintenance assessment districts, Mission Bay Park lease revenue, golf course enterprise funds, private donations, and State and Federal grants.

2014 CIP Accomplishments

In Fiscal Year 2014, the Public Works Department, along with the Park and Recreation Department, completed many capital improvements within the overall park system. These improvements included:

- Three park facilities received ADA upgrades to make them easily accessible to park users with physical disabilities. These included Silver Wing Neighborhood Park, Views West Neighborhood Park, and Colina del Sol Community Park. The upgrades included new children's play structures at Silver Wing and Views West. Silver Wing also received new park security lights to enhance park safety.
- Cabrillo Heights Neighborhood Park and the Rancho Peñasquitos skate park completed improvements which expanded the use of these popular neighborhood park facilities.
- A new joint-use facility with the San Diego Unified School District opened which includes a two-acre turf field with a perimeter running track. This facility will serve the children of Roosevelt Middle School during school hours and be opened to the public for recreational use on weekends and non-school hours.
- The design process was completed for new parks, including Gonzales Canyon Neighborhood Park, Central Avenue Mini Park, Riviera Del Sol Neighborhood Park, and Torrey Meadows Neighborhood Park.
- Sycamore Canyon Neighborhood Park and the City Heights Square Mini Park have opened for the public to enjoy. New athletic field lights were installed at the San Ysidro Athletic Area (Larson Field) and Rancho Bernardo Community Park to expand the hours of use of the recreational fields and an upgraded playground opened at Gompers Neighborhood Park.
- The enlargement and enhancement of the Memorial Community Park aquatic center began construction and the facility is expected to reopen in early Fiscal Year 2015.

2015 CIP Goals

The Public Works and Park and Recreation Department will begin design and construction on a variety of park related capital improvement projects in Fiscal Year 2015, which include:

Park & Recreation

- The construction of Charles Lewis III Memorial Park, Del Mar Mesa Neighborhood Park, Torrey Meadows Neighborhood Park, Central Avenue Mini Park, and the expansion of Mira Mesa Community Park are expected to get underway within Fiscal Year 2015.
- Playground upgrades at Torrey Highlands Neighborhood Park and Mountain View Neighborhood Park are to be completed, and the design for playground upgrades at Chollas Lake Park, San Ysidro Athletic Area, and University Village Neighborhood Park are scheduled to be underway.
- The California Tower in Balboa Park will complete the first phase of its seismic retrofit construction and the design for the second phase will begin. The California Tower is one of the most photographed structures in San Diego.
- Two new joint-use sites with the San Diego Unified School District at Wegeforth and Angier Elementary Schools will begin construction.
- The first phase of the Sunset Cliffs Natural Park Hillside Improvements project will begin construction of designated trails within the park and act as an initial effort to control soil erosion and stabilize the sensitive coastal bluffs. The design for the first phase of a more extensive drainage and erosion control system within the park will begin.
- A couple of significant open space projects will finish the design process and begin construction. These are the Los Peñasquitos Ranger Station to serve the Los Peñasquitos and Black Mountain open space preserves and the Trail for All People which will provide a quarter-mile accessible trail through natural habitat within the Black Mountain Open Space Park. In addition, the design process will begin to rehabilitate the historic Mohnike adobe and hay barn located within the Peñasquitos open space preserve.
- The Balboa Park, Mission Bay, and Torrey Pines Golf Courses are scheduled to complete design and/or construction improvements to each facility. The design for the Torrey Pines Golf Course - North Course and the design for a new clubhouse at the Balboa Park Golf Course will continue into Fiscal Year 2015. The design for major infrastructure improvements at the Mission Bay Golf Course will be initiated. New cart paths throughout the 18-hole course at the Balboa Park Golf Course will be constructed in Fiscal Year 2015.

ADA Improvements & Expansion of Paradise Senior Ce / S15002

Council District: 8	Priority Score: 62
Community Plan: Barrio Logan	Priority Category: Medium
Project Status: New	Contact Information: Shifflet, Robin
Duration: 2015 - 2019	619-533-4524
Improv Type: Expansion	rshifflet@sandiego.gov

Description: This project provides for the design and construction of Americans with Disabilities Act (ADA) upgrades and improvements to comply with State and federal safety and accessibility guidelines for the existing Paradise Senior Center, parking lot and walkways and includes a new 3,000 square foot expansion of the kitchen, restroom, and multi-purpose room.

Justification: This project will contribute to satisfying population-based park acreage requirements as a park equivalency as set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Barrio Logan Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2015. Construction will begin when funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2015.

Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2009 - 2015	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the design and construction of 3.95 acres at Angier Elementary School for joint-use facilities to supplement existing park acreage in the Serra Mesa Community. Improvements may include turfed multi-purpose sports fields, multi-purpose courts, walkways, landscaping, and accessibility upgrades.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan in an area that is park deficient. The project will provide multi-purpose sports fields and associated infrastructure that will provide the community with safer park conditions.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to be completed in Fiscal Year 2014. Construction is anticipated to begin and be completed in Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for improvements to accessible parking in the Balboa Park Alcazar Garden parking lot. Existing parking spaces will be relocated to a more convenient location and will be brought into compliance with current codes. Nine additional accessible spaces will be provided, bringing the total to 14 accessible parking spaces.

Justification: Improvements to the Balboa Park Alcazar parking lot are required to meet current Americans with Disabilities Act and California Building Code requirements.

Operating Budget Impact: This project improves existing parking spaces. No additional paving or landscaping will be added. There will be no impact to the operating budget.

Relationship to General and Community Plans: This project partially implements the goal of the Central Mesa Precise Plan to provide accessible parking in the Alcazar Parking Lot, and is in conformance with the City's General Plan.

Schedule: This project is anticipated to be completed by June of 2014.

Summary of Project Changes: This is a newly published project for Fiscal Year 2015.

Project Status: Continuing	Contact Information: Sirois, Paul
Duration: 2014 - 2016	619-685-1350
Improv Type: New	PSirois@sandiego.gov

Description: This project provides for the installation of 13 street lights along a concrete walkway within an enhanced open space greenbelt in the Bay Terraces-Parkside neighborhood. This walkway connects several cul-de-sac streets located off Manos Drive and Parkside Avenue and links single-family dwelling units together near Parkside Neighborhood Park.

Justification: The addition of the street lights will decrease criminal activity within the neighborhood between dusk and dawn.

Operating Budget Impact: The 13 additional street lights are estimated to cost \$888 in energy costs annually. The operating and maintenance cost of these street lights is to be funded by the Bay Terraces Parkside Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Skyline-Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: This project is still in pre-engineering and is going through environmental review. The project will be installed by Street Division/Transportation and Storm Water Department.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for the acquisition, design, and construction of approximately 12.6 useable acres, out of approximately 43 total acres, for a community and neighborhood park on Beyer Boulevard.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Otay Mesa and San Ysidro Communities.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Parks - Miscellaneous Parks

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and will be included in the Otay Mesa Community Plan as part of the community plan update process. The project is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2002. Preliminary design was completed in Fiscal Year 2008; however, this project will not be completed within the next five years. Design and construction schedules are dependent upon the actual rate of development within the Otay Mesa and San Ysidro Communities. Design and construction will be scheduled and completed when funding is available.

Summary of Project Changes: Project cost and schedule have been updated to reflect the most recent Otay Mesa Public Facilities Financing Plan.

Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2013 - 2019	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project provides for the seismic retrofit of the historic California Tower within Balboa Park. As part of the tower seismic retrofit, the plan requires the structural re-enforcements of the walls of the electrical room located at the bottom floor of the tower. This room presently hosts the San Diego Gas and Electric and the Museum of Man electrical transformers and control panels. Phase I of this project provides for the relocation of these electrical systems. Phase II of this project provides for the seismic system upgrade of the tower.

Justification: The California Tower was built in 1914. The last seismic upgrade was conducted in 1975. This additional seismic upgrade is required to bring the tower structure up-to-date with the current California Building Code.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan, East Mesa Precise Plan, and is in conformance with the City's General Plan.

Schedule: Phase I design began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Phase I construction began in Fiscal Year 2014 and is scheduled to be completed in Fiscal Year 2015. Phase II design and construction are scheduled to begin in Fiscal Year 2015.

Project Status: New	Contact Information: Shifflet, Robin
Duration: 2015 - 2018	619-533-4524
Improv Type: New	rshifflet@sandiego.gov

Description: This project provides for the design and construction of neighborhood park amenities in Canyon Hills Resource Park to supplement existing park acreage in the Mira Mesa community. Park improvements could include typical neighborhood park amenities such as picnic areas, interpretive signs, walkways, benches and landscaping.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved. Therefore, the current cost estimate of \$205,855 (16.25 acres) is based on Park and Recreation Department's current cost to maintain various developed park areas.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2015. Construction will be scheduled when funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2015.

Description: This project provides for miscellaneous improvements to serve park users, such as drainage repair at the rear parking lot, and creation of a parking area along the north boundary to accommodate overflow parking needs at the Canyonside Community Park.

Justification: This project will provide upgraded and additional recreation amenities to serve the residents of Rancho Penasquitos which is park-deficient by General Plan standards.

Operating Budget Impact: This project provides for upgrades and expansion for an existing facility. These upgrades will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2015. Construction is anticipated to begin in Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for the design and installation of multiple landscaping and irrigation enhancements along major roadways with landscaping maintained by the Carmel Valley Maintenance Assessment District. This phased project will include multiple locations with additional phases in future years as funding becomes available. The specific locations proposed for landscaping enhancement include, but are not limited to unimproved medians along El Camino Real from Carmel Valley Road and State Route 56 north to Valley Center Drive; various unimproved rights-of-way along Carmel Center Drive, Carmel Country Road, Carmel Knolls Drive, Carmel Park Road, Del Mar Heights Road, El Camino Real, Graydon Road, Seagrove Street, Torrey Bluff Drive, Townsgate Drive, and Worsch Road; asphalt walkway through City Open Space along San Diego Gas and Electric easement; and an open space trail between Del Mar Trails Road and Carmel Country Road.

Justification: This project will improve unplanted areas within the public right-of-way and unify the landscaping theme of Carmel Valley along various roadways north of State Route 56, west of Pacific Highlands Ranch, south of Gonzales Canyon, and east of Interstate 5. Improvements will include design, permitting, water meter, irrigation, and landscaping.

Operating Budget Impact: All landscaping improvements will be funded and maintained by the Carmel Valley Maintenance Assessment District (MAD). Each sub-project will be uniquely designed and calculated for its operating budget during the design process for each location.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design of the initial group of sub-projects is anticipated to begin in Fiscal Year 2014. Depending on the timeline required for design for each sub-project, construction is anticipated to begin in Fiscal Year 2015.

Summary of Project Changes: MAD funds of \$250,000 were added for Fiscal Year 2015 bringing the total project cost to \$500,000.

Description: This project provides for acquiring and developing a four useable acre neighborhood park in Carmel Valley. Amenities may include a play area, picnic facilities, open turf area, and landscaping. This project also provides for direct access to the park by way of a frontage road, estimated to be 850 feet long by 24 feet wide, from the easterly end of Tang Drive to the park entrance.

Justification: This project will provide the community with additional recreational opportunities as well enhance the visual quality of the area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan, the Carmel Valley Neighborhood 8 Precise Plan, and is in conformance with the City's General Plan.

Schedule: The land was acquired as part of the Carmel Valley Restoration and Enhancement Project. Design began in Fiscal Year 2009 and is anticipated to be completed once access to the park site is secured/acquired through the adjacent private property. Construction is anticipated to begin in Fiscal Year 2017.

Summary of Project Changes: Project cost and schedule have been updated to reflect the most recent Carmel Valley Public Facilities Financing Plan.

Description: This project provides for the acquisition of an approximate 16,000 square foot parcel, remaining from the construction of the Interstate 15 freeway through Mid-City at the corner of Central Avenue and Landis Street, to be developed as a mini park. Phase 1 shall include, but not limited to, a 2- to 5-year-old playground, a 5- to 12-year-old playground, small open turf area for passive recreation, a plaza with game tables, site furnishings, realignment of the existing walkway from the Interstate 15 pedestrian bridge, and park landscaping. Phase II is a separate project, S-14010.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based on the Park and Recreation Department's current cost to maintain various landscaped areas.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2008. General Development Plan design began in Fiscal Year 2011 and was approved by the Park and Recreation Board mid-Fiscal Year 2013. Design began in late Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2014. Construction is anticipated to begin in Fiscal Year 2014 and be completed in Fiscal Year 2015.

Project Status: Continuing	Contact Information: Harkness, Jeffrey
Duration: 2013 - 2019	619-533-6595
Improv Type: Betterment	jharkness@sandiego.gov

Description: This project provides for accessibility upgrades at Chicano Park to accommodate persons with disabilities pursuant to State and federal accessibility guidelines and regulations, while respecting the park's cultural significance and attributes, and for the expansion of Chicano Park by approximately 2.0 acres through acquisition of ground lease, and development of adjacent and contiguous parcels as they become available or feasible, to serve future residents. Accessibility upgrades for existing park land may include parking areas, walkways, children's play areas, drinking fountains, park furniture, and construction of a new comfort station. A skateboard plaza, park lighting, and sportsfield lighting would expand the use of the existing park.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: Operational costs will not change significantly because the proposed improvements replace existing facilities. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Barrio Logan Community Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to begin in Fiscal Year 2015. Construction is anticipated to begin in Fiscal Year 2016.

Summary of Project Changes: \$250,000 in Development Impact Fee funding is being allocated to this project for Fiscal Year 2015.

Description: This project provides for the design and development of North Chollas Community Park, located on College Grove Drive midway between 54th Street and College Avenue. Phase I improvements consist of a sports field, parking area, access road, tot lot, and comfort station with concession area. Phase II improvements could include such amenities as: additional sports and multi-purpose fields, a play area, basketball courts, picnic areas, additional parking areas, creek enhancement, trails, a gymnasium, and a dog off-leash area.

Justification: This project will provide a park and athletic facility to serve the greater community. The surrounding area is not currently served by a community park and the region is deficient in sports facilities and open park areas.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is unknown as operational costs for the project will be determined as the project is refined and all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I improvements are complete. Phase II design and construction documents are complete; however, the project is on hold until additional funding can be identified. The completed project construction documents may need to be refreshed to address code changes related facility accessibility for disabled park users.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for the design and construction of two playgrounds at Chollas Lake Park to replace existing playgrounds which have surpassed their life expectancy and do not meet current Americans with Disabilities Act (ADA) and playground safety requirements. The new playgrounds will be fully ADA compliant and meet all safety guidelines for public playgrounds.

Justification: This project will replace the equipment within two children's playgrounds and provide new accessible safety surfacing. These playgrounds are approximately 30 years old and have reached the end of their service life.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2014 and construction will be scheduled when funding is identified.

Community Plan: City Heights (Mid-City)	Priority Category: High
Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2009 - 2015	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of an approximately 5,348 square foot (0.123 acre) mini-park, in the City Heights area of the Mid-City Community. Improvements will include amenities such as seating, walkways, picnic areas, landscaping, irrigation, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2011. Construction began mid-Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for the design and construction of widened walkways, enhanced paving, slope protection, sea walls, curb and street paving, and various improvements including, but not limited to, bollards, railings and landscape along Coast Boulevard in the vicinity of Children's Pool from the lifeguard tower to Jenner Street. This project represents the final phase of work outlined in the 1989 "Preliminary Plan for the La Jolla Coastline."

Justification: This project will provide improved walkway access and enhanced landscaping along Coast Boulevard.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design was initiated by the community in Fiscal Year 2012 with final design anticipated to be completed in Fiscal Year 2015. Construction is scheduled to begin once funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2015.

Description: This project provides partial funding for coastal infrastructure improvements at 71 sites, from Sunset Cliffs Park to Torrey Pines State Beach, that were identified and prioritized in a 2003 Coastal Erosion Assessment Survey. High priority sites are those that present potential public hazards.

Justification: This project provides improvements to coastal erosion sites that present potential public hazards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Beach access to Shell Beach and at Sea Ridge Avenue were completed in Fiscal Year 2008. South Casa Beach access was completed in Fiscal Year 2011. Pescadero Avenue and Diamond Street Access were completed in Fiscal Year 2014. Construction of Capri-by-the-Sea, Orchard Street and Old Salt Pool Access is scheduled to begin in Fiscal Year 2015. Future design and construction will be scheduled as funding becomes available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Convert RB Medians-Asphalt to Concrete / L12000

Council District: 5	Priority Score: 50
Community Plan: Rancho Bernardo	Priority Category: Medium
Project Status: Continuing	Contact Information: Palaseyed, Abi
Duration: 2012 - 2015	619-533-4654
Improv Type: Replacement	apalaseyed@sandiego.gov

Description: This project provides for the conversion of asphalt medians to concrete medians along various roadways in the Rancho Bernardo community. The first two phases of this project converted medians along Pomerado Road near the intersection with Rancho Bernardo Road. Additional future locations include existing asphalt medians along Rancho Bernardo Road, Bernardo Center Drive, Pomerado Road, and other identified roadways within the Rancho Bernardo Maintenance Assessment District boundaries.

Justification: The community has requested streetscape improvements to major arterial corridors within Rancho Bernardo. This project allows certain medians to be enhanced by replacing deteriorating asphalt with decorative stamped concrete.

Operating Budget Impact: The existing hardscape medians are maintained by the Rancho Bernardo Maintenance Assessment District (sweeping, litter removal, and weed removal). There is no anticipated increase in maintenance costs as a result of this project.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Construction for the first and second phases of this project began and were completed in Fiscal Year 2012. Additional locations began in Fiscal Year 2014 and are anticipated to be completed in Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Duration: 2014 - 2016	619-685-1301
Improv Type: Replacement - Rehab	lball@sandiego.gov

Description: This project provides for rehabilitation of approximately 1.6 miles of service/access road on the east side of Cowles Mountain within Mission Trails Regional Park. The rehabilitated road will provide safer access for recreational users (bikers/hikers), emergency personnel, and service providers for the communications antenna on top of the mountain.

Justification: This project will improve and prolong safe access to the top of the mountain for recreation users and service providers, as well as protecting a valuable park asset and lease revenue generators.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Schedule: Design is anticipated to begin in Fiscal Year 2014. Construction is contingent upon the identification of additional funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Project Status: New	Contact Information: Shifflet, Robin
Duration: 2015 - 2018	619-533-4524
Improv Type: New	rshifflet@sandiego.gov

Description: This project provides for the design and construction of a neighborhood park in the Torrey Pines community. Park amenities could include picnic areas, children's play area, walkways, turf areas, and landscaping.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$12,668 acre/year is based on Park and Recreation Department's current cost to maintain various developed park areas.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2015. Construction will be scheduled when funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2015.

Project Status: Continuing	Contact Information: Espinoza, Julian
Duration: 2011 - 2019	619-533-4384
Improv Type: Betterment	jespinoza@sandiego.gov

Description: This project will provide for the evaluation of the overall condition of the pier which is located in Pacific Beach and to make recommendations for repairs to ensure public safety. The pier was originally constructed in 1927. A storm demolished 240 feet of the pier in 1983 and this portion was reconstructed in 1987.

Justification: The purpose of this study is to evaluate the overall condition of the pier and recommend needed repairs. This will include an investigation of the structural integrity of the pier below the surface of the ocean.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and it is in conformance with the City's General Plan.

Schedule: The study was initiated in Fiscal Year 2012 and completed in Fiscal Year 2013. A long-term solution has yet to be determined. However, the pier replacement cost, which includes design and construction, is estimated to be \$11.0 million and is listed as unidentified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Project Status: Continuing	Contact Information: January, Frank
Duration: 2012 - 2016	619-533-3699
Improv Type: New	fjanuary@sandiego.gov

Description: This project provides for the construction of a trail undercrossing beneath Del Mar Heights Road as part of the hiking and riding trail system for Pacific Highlands Ranch. This is project P-10.2 in the Pacific Highlands Ranch Public Facilities Financing Plan (PFFP).

Justification: This project will allow pedestrian and equestrian activities to pass underneath Del Mar Heights road near the westerly boundary of the community without impacting the roadway or imposing a safety risk for those engaged in equestrian activities. In addition, the project provides a connection of regional trails between Pecos Canyon and the San Dieguito River Valley.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: The project will be completed in several phases over a number of years contingent upon the rate of development within the Pacific Highlands Ranch community.

Summary of Project Changes: Total project cost has been updated per the Pacific Highlands Ranch's PFFP.

Project Status: Continuing	Contact Information: Greenstein, Howard
Duration: 2002 - 2015	619-525-8233
Improv Type: New	hgreenstein@sandiego.gov

Description: This project provides for land acquisition in the Del Mar Mesa community planning area and surrounding future urbanizing area for the Multiple Species Conservation Program (MSCP).

Justification: The MSCP Implementing Agreement mandates a responsibility on the part of the City to assemble the MSCP preserve. This responsibility includes acquisition of private lands from willing sellers to be conserved for wildlife habitat.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition in Del Mar Mesa began in Fiscal Year 2002 and was substantially completed in Fiscal Year 2007 with available funding. However, additional land acquisition and management of those lands will continue using remaining and additional funding for land acquisitions in Del Mar Mesa and the future urbanizing area as long as lands within and adjacent to the Multi-Habitat Planning Area are available from willing sellers. It is anticipated these funds will be expended in Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Council District: 1	Parks - Trails
Community Plan: Del Mar Mesa	Priority Score: 19
Project Status: Continuing	Priority Category: Low
Duration: 2002 - 2016	Contact Information: Ball, Laura
Improv Type: New	619-685-1301
	lball@sandiego.gov

Description: This project provides for an eight-foot wide hiking and equestrian trail, 8,000 feet long, extending northerly from the Carmel Mountain Road and Del Mar Mesa Road intersection area, then westerly in the developable area along open space. The trail will continue to the westerly end of Del Mar Mesa Road. This project also includes improvements to a 1,000-foot long existing trail that extends northerly into Carmel Valley Neighborhood 8.

Justification: This project provides additional recreational opportunities in Del Mar Mesa.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition and design began in Fiscal Year 2004. Construction began in Fiscal Year 2005. However, this project is being completed in segments and is dependent upon the actual rate of development within the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for acquisition, design, and construction of a nine useable acre park site in the Otay Mesa Community Plan and the Dennery Ranch Precise Plan areas. The park may include a multi-purpose court, multi-purpose sports fields, comfort station, children's play area, picnic area and facilities, open turf area, staging area, and trail with connectivity to the Otay Valley Regional Park.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Dennery Ranch Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current cost estimate of \$105,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the Dennery Ranch Precise Plan, and is in conformance with the City's General Plan.

Schedule: Acquisition, design, and construction will be scheduled contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: Project cost and schedule have been updated to reflect the most recent Otay Mesa Public Facilities Financing Plan.

Community Plan: Normal Heights (Mid-City), Kensington - Talmadge (Mid-City), City Heights, North Park	Priority Category: Medium
Project Status: Continuing	Contact Information: Lasaga, Fernando
Duration: 1994 - 2016	619-533-7406
Improv Type: New	flasaga@sandiego.gov

Description: This project provides for streetscape improvements which include the installation of street lights and replacement of sidewalks, curbs, and gutters along El Cajon Boulevard from Louisiana Street east to 54th Street, as well as the side streets adjacent to El Cajon Boulevard that are within the El Cajon Boulevard Maintenance Assessment District (MAD) boundaries.

Justification: The El Cajon Boulevard revitalization project began as a part of the Mid-City Commercial Revitalization Program which was originally funded by a Community Development Block Grant and TransNet. This project will continue the approved design along additional commercial blocks using funding from the El Cajon Boulevard MAD. The MAD Assessment Engineer's Report identifies streetscape improvements including street lighting as an improvement within the project area.

Operating Budget Impact: Those projects that are identified as improvements in the North Park MAD Assessment Engineer's Report and the El Cajon Boulevard MAD Assessment Engineer's Report will be maintained by each respective MAD. Each MAD will fund the maintenance and energy costs associated with the special benefit street lighting installed by this project. Since design of all phases of the street light element has not been completed, the actual number of street lights to be installed by this project and resultant operating budget effect is not known.

Relationship to General and Community Plans: This project implements the Mid-City and Greater North Park Communities' Plans and is in conformance with the City's General Plan.

Schedule: Improvements of street light installation, replacement of sidewalks, curbs, and gutters within the El Cajon Boulevard Maintenance Assessment District (MAD) continued through Fiscal Year 2014. Construction is anticipated for completion by the end of Fiscal Year 2015.

Summary of Project Changes: Additional funds were allocated to the project at the request of the community to continue improvements.

Description: This project provides for long-term protection of the physical remains of the historic El Cuervo Adobe located within the Rancho Penasquitos Community consistent with a 2004 Conditions Assessment Report. Improvements shall include stabilization activities to protect the remaining length of walls of the historic structure measuring thirty-one feet long by seven to nine feet tall.

Justification: The El Cuervo Adobe Ruins site has been designated historic by the City Historic Site Board, California Historic Resources Inventory, and the National Register of Historic Places. Only two of the original structural adobe walls remained until a portion of one wall (the north wall) collapsed in December 2011. This project will protect the historic resource consistent with National Park Service Standards and San Diego Municipal Code Section 143.0205(f).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the City General Plan Historic Resources Element.

Schedule: Design is scheduled to begin in Fiscal Year 2014. Construction will begin after design has been completed.

Evans Pond Reclaimed Water Pipeline Inst / S13010

Reclaimed Water System - Pipelines

Council District: 5	Priority Score: 40
Community Plan: Scripps Miramar Ranch	Priority Category: Medium
Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2013 - 2016	619-533-5328
Improv Type: New	adarvishi@sandiego.gov

Description: This project would provide for the installation of a reclaimed water pipeline and meter to service Evans Pond, a small pond located adjacent to Scripps Ranch Library (10301 Scripps Lake Drive). The reclaimed water pipe would connect an existing reclaimed water reservoir located in Meanley Park (just south of the Library) and extend northeast to the pond. An additive alternative would be to connect existing landscape irrigation systems surrounding the Library to reclaimed water. Scripps Ranch Maintenance Assessment District (MAD) maintains this pond via a Memorandum of Understanding (MOU) with the Library Department.

Justification: Evans Pond is currently fed by natural rainwater and runoff, but during summer months it loses depth and becomes shallow. Despite annual transfers of raw water from the nearby San Diego Aqueduct, there is insufficient water to maintain Evans Pond at an acceptable depth. The pond is home to a variety of plant and animal species, including water plants, turtles, ducks, and fish. This project would allow for a stable water source to keep the pond at an acceptable level throughout the year. A health/safety concern would be the use of reclaimed water in a pond environment, which has been accomplished at Torrey Pines Golf Course.

Operating Budget Impact: Currently, the Scripps Ranch Maintenance Assessment District funds a transfer of raw water from the San Diego Aqueduct once a year at a cost of approximately \$18,500. If this project is implemented, water costs are expected to decrease to approximately \$2,000 annually under the reclaimed water rate rather than the potable water rate.

Relationship to General and Community Plans: This project is in compliance with the Scripps-Miramar Ranch Community Plan and in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Design began Fiscal Year 2014 and is scheduled to be completed in Fiscal Year 2015. Construction is scheduled in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for development of an approximately three useable acre neighborhood park south of Pomerado Road in the Scripps Miramar Ranch area. Rough grading, adjacent half-width street improvements, and utilities to serve the park are being provided by a developer per vesting tentative map (VTM) conditions.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Fairbrook Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$38,004 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Famosa Slough Salt Marsh Creation / S00605

Drainage - Channels

Council District: 2	Priority Score: N/A
Community Plan: Peninsula	Priority Category: N/A
Project Status: Warranty	Contact Information: Deangelis, Jeannette
Duration: 2003 - 2015	619-533-5497
Improv Type: Betterment	jdeangelis@sandiego.gov

Description: The 0.64 acre mitigation project in Famosa Slough is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The mitigation is a required component of the Transportation and Storm Water Department's channel clearing efforts to prevent flooding in the Sorrento Valley area, and restoration of this site will enhance the functions and values of this important biological resource consistent with a variety of City policies and objectives.

Justification: The 0.64 acre mitigation project in Famosa Slough is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The Famosa Slough was chosen as the mitigation site because opportunities for coastal salt marsh mitigation in the Los Peñasquitos Lagoon have been exhausted. This option utilizes an available, City-owned site within the Coastal Zone and is consistent with the 1993 Famosa Slough Enhancement Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and the Famosa Slough Enhancement Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2005. Construction was completed in Fiscal Year 2005. The five-year maintenance and monitoring period began in Fiscal Year 2006 and ended in Fiscal Year 2011. In order to obtain site approval from the Resource Agencies, two additional years of maintenance and monitoring were required due to soil conditions and below average rainfall.

Summary of Project Changes: The two additional years of maintenance and monitoring was completed at the end of Fiscal Year 2013 and the project will be closed by the end of the fiscal year.

Description: This project provides for the acquisition, design, and construction of a five useable acre neighborhood park adjacent to a planned elementary school in the Gonzales Canyon area of the Pacific Highlands Ranch Community. Park amenities will include a multi-purpose turf sports field, a children's play area, multi-purpose courts, picnic facilities, security lighting, landscape, and a comfort station.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Gonzales Canyon area of Pacific Highlands Ranch Subdivision.

Operating Budget Impact: This new facility will require an on-going operational budget for personnel and non-personnel expenses.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Sub Area Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2011. Design began in Fiscal Year 2013 and construction is anticipated to begin in Fiscal Year 2014. Construction is anticipated to be completed in Fiscal Year 2015.

Summary of Project Changes: Additional Facilities Benefit Assessment (FBA) funding of \$1.3 million will be allocated to this project per the Public Facilities Financing Plan for Fiscal Year 2015.

Description: This project provides for the acquisition, design, and construction of an approximately 4.0 useable acre neighborhood park serving the Ocean View Hills Community. Amenities may include an open turfed area and children's play area, as well as off-site improvements to serve the park.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Hidden Trails Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$48,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan, the Hidden Trails Precise Plan, and is in conformance with the City's General Plan.

Schedule: Land acquisition began in Fiscal Year 2008 and was completed in Fiscal Year 2012. Design is anticipated to begin in late Fiscal Year 2014. Project construction is dependent upon the actual rate of development within the Otay Mesa Community.

Summary of Project Changes: The total project cost increased by \$631,711 due to increased construction costs.

Description: This project provides for a multi-use trail connection from Del Mar Mesa to Carmel Valley.

Justification: The construction of the identified trails or trail connections will contribute to completion of connectivity with the existing City and regional trail system, providing benefits to the community, including increased recreational opportunities, protection of sensitive natural resources, and alternate transportation opportunities to residents and visitors.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate of \$2,200 per year is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and the Carmel Valley Neighborhood 10 Precise Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2007. Construction began in Fiscal Year 2009 in segments. The schedule is contingent upon the rate of development and fees collected in the community.

Parks - Miscellaneous Parks

Description: This project provides for the dredging of two lakes and reconstruction of a lake berm within the Kumeyaay Lake system at Mission Trails Regional Park.

Justification: A berm that surrounds the lakes was breached during the 1995-96 rainy season. Since that time, the San Diego River's flow has been redirected through the Kumeyaay Lakes, to the detriment of the lakes. Impacts include sedimentation of the lakes, the introduction of exotic invasive aquatic plants, and the decline of an adjacent state wetland mitigation site through which the river once flowed. Dredging of the lakes to remove accumulated sediments and unwanted plant materials will restore the health and vitality of the lakes and the adjacent mitigation site, which depends upon a flowing water source.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Development Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2003. Design and construction will be scheduled upon identification of funding.

Description: This project provides for the General Development Plan amendment, design and construction of a multi-generational skatepark at the existing Linda Vista Community Park.

Justification: This project will provide an additional recreational use to serve residents in this park-deficient community.

Operating Budget Impact: This facility is located at an existing developed park. It will continue to require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current cost estimate is based on Park and Recreation Department's current cost to maintain various developed park areas.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: A General Development Plan amendment will be processed in Fiscal Year 2015. Design is scheduled to begin in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2016.

Description: This project provides for design and construction of approximately 1.2 acres of joint-use facilities at McKinley Elementary School to supplement existing park acreage in the Greater North Park Community. Improvements will include natural or synthetic turfed multi-purpose sportsfields, multi-purpose courts, walkways, landscaping, and Americans with Disabilities Act (ADA) accessibility upgrades.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current cost estimate is based on the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Conceptual design for a General Development Plan began in Fiscal Year 2013. Final design and construction will be scheduled to begin upon funding availability.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for the demolition of an existing pool and the design and construction of a new pool. The existing 40 year old pool suffers from deferred maintenance, cracked decking, outdated mechanical systems, and doesn't meet Americans with Disabilities Act (ADA) standards. It will be replaced with a larger pool that meets ADA standards.

Justification: This project will address deterioration of the existing pool decking and piping due to age.

Operating Budget Impact: This facility expansion will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based on Park and Recreation Department's current cost to maintain an aquatic facility of this size.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2014.

Description: This project provides for developing approximately 11 usable acres of the former Carroll School park site across the street from Mira Mesa Community Park. Amenities include a comfort station and ballfields. The Mira Mesa Community Park will also be upgraded to include a pool complex, improved recreation center, and skate plaza. The street between the two sites will include parking and street calming. This project will be phased as funding becomes available. Phase I includes the ballfields and street calming. Phase II includes the pool complex and skate plaza. Phase III includes recreation center improvements.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project implements the recommendations found in the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: General Development Plan was approved in June 2005. Funding for construction was not available until Fiscal Year 2013. Project will be advertised as a design-build contract in Fiscal Year 2014. Construction by design-build contractor anticipated to begin in early Fiscal Year 2016.

Summary of Project Changes: Total project cost increased by \$711,403.

Description: This project provides for the design and construction of various improvements within Mission Bay Golf Course. Work will include renovation and reconstruction of the existing course and will consist of new landscaping and irrigation, upgraded electrical and lighting system, drainage improvements, installation of cart paths near tee boxes, upgraded tee boxes, improvements to signage, as well as other improvements relevant to the conditions of play will also be included.

Justification: This project is needed to provide the long awaited improvements to the 18-hole golf course. For example, the new computerized irrigation system will replace a system that is outdated, inefficient, and does not meet current or future water restriction requirements. These improvements will help bring the golf course to within industry standards for municipal golf courses.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to be completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: \$2.5 million is being allocated to this project in Fiscal Year 2015. Design is anticipated to be completed in Fiscal Year 2015, due to required archaeological studies.

Description: This project provides for design, engineering, construction, and installation of structures, as well as the rehabilitation and installation of appropriate material to re-establish approximately 2,000 linear feet of existing trail. This project will supplement the existing and increasing recreational activities of hikers and the increase of sensitive resource impacts caused by hikers leaving the official trail. When completed, this trail rehabilitation will improve safety and reduce or eliminate loss of sensitive natural resources due to visitor use and erosion. Improvements will include minimal pruning and hand crew installation of materials. No grading will be done; however, some hand tool manipulation of existing soils may occur.

Justification: This project will benefit the community by increasing safety for hikers and protect sensitive natural and cultural resources.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Community Plan: Navajo, Tierrasanta, Rancho Encantada, East Elliott	Priority Category: N/A
Project Status: Continuing	Contact Information: Harkness, Jeffrey
Duration: 2008 - 2016	619-533-6595
Improv Type: Betterment	jharkness@sandiego.gov

Description: This project provides for an update to the 1985 Mission Trails Regional Park (MTRP) Master Development Plan to identify completed capital projects and to guide future expansion, development, and preservation of the park, as well as to provide an environmental document to determine potential impacts. A Natural Resource Management Plan will also be prepared and incorporated into the master plan document to provide park rangers with information and tools to manage the Park's sensitive resources.

Justification: MTRP faces numerous challenges and issues due to the high number of visitors and the Park's location within a densely populated area. Extensive recreational use, illegal off-road vehicle activity, erosion, urban runoff, and invasive non-native plants are potential threats to the continued health of the Park's natural resources. The MTRP Natural Resource Management Plan is a part of the implementation task of the City of San Diego's Multiple Species Conservation Program (MSCP). The MSCP was officially adopted on March 18, 1997; The United States Fish and Wildlife Service and the California Department of Fish and Game approved the plan on July 17, 1997.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo, Tierrasanta, Rancho Encantada, and East Elliott Community Plans and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2010 and is anticipated to be completed in Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Mission Trails RP Trail Realignments / S10066

Council District: 7	Priority Score: 20
Community Plan: Navajo, Tierrasanta	Priority Category: Low
Project Status: Continuing	Contact Information: Ball, Laura
Duration: 2009 - 2016	619-685-1301
Improv Type: New	lball@sandiego.gov

Description: This project provides for design, engineering, and construction of approximately 5,000 linear feet of new (realignment) trail and rehabilitation of approximately 3,500 linear feet of existing trail. This is to supplement existing and increased recreational activity of all visitor user groups (hikers, bikes, equestrian) and to stabilize and protect sensitive habitat and natural resources currently impacted by poor trail alignment. Improvements will include vegetation pruning and trimming, as well as hand crew manipulation of soils for best location of trails that will meet City Trail Standards (safety and sustainability). Locations of these trail realignments have been roughly engineered on-site but will require environmental review and approval. No grading is anticipated. No trails in this area are Americans with Disabilities Act (ADA) accessible and this realignment would not provide ADA opportunities due to lack of access.

Justification: New realignment will provide for improved safety to visitors and protection of sensitive resources.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009. Construction began in 2012 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: This project has been delayed to allow for the completion and adoption of the MTRP Master Plan Update (S01014) prior to implementing trail realignments.

Mohnike Adobe and Barn Restoration / S13008

Council District: 5	Priority Score: 62
Community Plan: Los Penasquitos Canyon Preserve	Priority Category: Medium
Project Status: Continuing	Contact Information: Harkness, Jeffrey
Duration: 2013 - 2018	619-533-6595
Improv Type: Replacement - Rehab	jharkness@sandiego.gov

Description: This project provides for the rehabilitation/restoration of the historic adobe and hay barn located within the 14-acre Rancho Penasquitos Equestrian Center on the eastern end of the Los Penasquitos Canyon Preserve. Completion of a site assessment of current condition of the 2,512 square-foot adobe structure, the hay barn and surrounding grounds shall include the following items: exterior walls; north and west porches, roof, interior walls, ceilings and wood floors, drainage swale on southwest, and accessibility needs to determine Phase II of rehabilitation program. Additionally, a Treatment Plan and Historic Structure Report are required prior to preparation of Phase II design and construction plans for the rehabilitation due to storm damage which the barn sustained in 2010. Emergency work to shore up the barn until a rehabilitation/restoration plan can be prepared and implemented was completed in 2011.

Justification: Phase I of a rehabilitation program was completed in 2005 consistent with an Historic Structures Report prepared for the Mohnike Adobe and Hay Barn by Ferris, Johnson and Perkins Architects, Inc. in 1999. Architectural design and construction plans are required to proceed with Phase II of the project.

Parks - Open Space

Operating Budget Impact: None.

Relationship to General and Community Plans: The Rancho Penasquitos Community Plan and Los Penasquitos Canyon Preserve Master Plan do not specifically address rehabilitation/restoration of historic structures; however the project is consistent with the City's General Plan Historic Resources Element.

Schedule: Preparation of Assessment Report and Treatment Report is scheduled in Fiscal Year 2015. Design is scheduled in Fiscal Year 2015. Construction will be scheduled when funding has been identified.

Summary of Project Changes: Regional Park Improvement Funds in the amount of \$500,000 is anticipated to be transferred from Regional Park Improvements annual allocation (AGF00005) in Fiscal Year 2015 to allow for the start of design and environmental permitting.

Montgomery Academy Joint Use Improvements / S00973

Bldg - Other City Facility / Structures

Council District: 7	Priority Score: N/A
Community Plan: Linda Vista	Priority Category: N/A
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2009 - 2016	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the construction of approximately three acres of joint-use play fields at the Montgomery Academy and associated Americans with Disabilities Act (ADA) improvements to comply with all State and federal accessibility guidelines and City standards. Phase I amenities may include a turf multi-purpose sports field, security lighting, decomposed granite running track, accessibility improvements, signage, site furnishings, and miscellaneous landscaping. Phase II amenities may include picnic shelters, site furnishings, accent plantings, and enhanced gateway treatments.

Justification: Development of this project is a Site Development Permit condition of the Pacific Ridge Apartment Homes to satisfy population-based park acreage requirements in accordance with the City's General Plan standards for the anticipated population generated by the residential development. Additionally, it provides joint-use recreational facilities in a community deficient in population-based park and recreation facilities.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: Design will be completed in Fiscal Year 2014. Construction will begin in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for lighting and park improvements at the Montgomery-Waller Community Park. Phase I of this project provides for the addition of lighting to the existing multi-purpose softball, soccer, and football field. Phase II will replace the comfort station.

Justification: This project will provide needed facilities to expand the hours of use at the park and provide safer access for park users.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I was completed in Fiscal Year 2006. Phase II design began in Fiscal Year 2007 and was completed in Fiscal Year 2011. Phase II construction was completed in Fiscal Year 2012.

Description: This project provides for Americans with Disabilities Act (ADA) upgrades and improvements to the children's play area and path of travel within the park to comply with State and federal safety and accessibility guidelines, and will serve the needs of existing and future residents.

Justification: This project is needed to upgrade existing site improvements and play area facilities to meet current federal and State safety and accessibility regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2013. Construction for the children's play area upgrades and the additional accessibility improvements is scheduled for Fiscal Year 2015.

Summary of Project Changes: Total project increased by \$219,586. \$400,000 in Development Impact Fees (DIF) funds have been allocated in Fiscal Year 2015 to fully fund the construction of the children's play area upgrades and accessibility improvements.

Description: This project provides for acquiring property in support of the Multiple Species Conservation Program (MSCP).

Justification: The Multiple Species Conservation Program (MSCP) Implementing Agreement, Section 10(a), Take Authorization of the Endangered Species Act, mandates a statutory responsibility on the part of the City to assemble the MSCP preserve. This responsibility includes public land acquisition to be used for wildlife habitat.

Operating Budget Impact: Operating Budget Impact to be determined as property is acquired.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Land acquisitions began in Fiscal Year 2000 and will continue as funding becomes available through Fiscal Year 2047. Per the City's MSCP Implementing Agreement (I.A.), preservation of 52,727 acres is to occur within the Multi-Habitat Planning Area (MHPA). To date, 49,004 acres (93%) have been conserved or obligated. The remaining 3,723 acres will be conserved through various means including mitigation, exactions, and acquisitions. Funding necessary to purchase the remaining 3,723 acres is estimated to be \$120.7 million without contributions through mitigation and exactions. It is anticipated that approximately one-third of this obligation will be met through mitigation and exactions as part of the development process. Grant funding will be pursued as a future funding source for acquisitions.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project is intended to restore the integrity of the museum, stop the roof leakages, fix the museum ornamentation, restore the historic carports, protect the public safety, and minimize costly maintenance. Phase I scope of work includes the following: re-roof the Administration Building, re-roof the clay tile roof on the south side of the quadrangle (re-use existing tile), re-roof and partially reconstruct the carport between the north wing and the administration building (re-use existing tiles), re-roof the north wing of the main museum including the built-up roof, restore ornamentation, restore windows, repair and/or reseal tile domes, replace finial on western quadrangle entrance, and other miscellaneous restoration items including the replacement of two curb ramps. Phase II scope of work includes repairs to the interior caused by roof leakages.

Justification: This project will restore the integrity of the museum, stop the roof leakages, fix the museum ornamentation, restore the historic carports, protect the public safety, and minimize costly maintenance.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Plan and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2013. Phase II design began in Fiscal Year 2014 and is scheduled to be completed in Fiscal Year 2015.

Description: This project will provide for the planning and design of a new aquatic facility center at Naval Training Center Park. The proposed facility will include, but will not be limited to, two competitive and recreational pools, a leisure pool with water playground features, spectator seating deck, bath house facility, and associated site improvements.

Justification: This project will contribute to satisfying the recreation facility requirement set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's design has not been completed or approved. Therefore, operational cost estimate will be available upon completion of the conceptual design.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

North Park MP & Streetscape Improvements / S10050

Council District: 3	Priority Score: 34
Community Plan: Greater North Park	Priority Category: Low
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2010 - 2016	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the design and construction of an approximately 0.50 useable acre, urban mini-park to be located behind the recently renovated North Park Theatre. The project may include public art, plaza areas, specialty/enhanced paving areas for performances and events, an amphitheater or audience seating area, a gazebo/shade structure, walkways, seat walls, security/decorative lighting, and landscape and irrigation. This project also provides for the design of a Streetscape Master Plan for approximately 1,800 linear feet of streetscape which may include enhanced street/pedestrian paving and walkways, street trees with tree grates, landscaping, irrigation, unique street furniture including benches and trash receptacles, security and decorative lighting, pedestrian ramps, curbs, and gutters.

Justification: The community is currently deficient in population-based park requirements set forth in the City's General Plan. This project will add population-based park acreage to the community, thus contributing to satisfying population-based park requirements. The project also includes the design of a Streetscape Master Plan, incorporating a streetscape system for the benefit of pedestrians, automobiles, and community members.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate to maintain the mini-park is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and construction document design is completed. Maintenance of future streetscape improvements will be determined as funding is allocated to these projects.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Design of the General Development Plan for the mini-park and Streetscape Master Plan for the associated streetscapes began in Fiscal Year 2011 and was completed in Fiscal Year 2012. Construction document design for the mini-park is scheduled to begin in Fiscal Year 2015, with construction beginning in Fiscal Year 2016. The individual associated streetscapes (which are a part of the Streetscape Master Plan) will be implemented by Transportation and Storm Water Department (Transportation Engineering Operations Division) as funding for design, construction, and maintenance becomes available.

Summary of Project Changes: Construction document design for the mini-park is scheduled to begin in Fiscal Year 2015, pending resolution of property ownership legal issues between the State and the previous City of San Diego Redevelopment Agency. Construction is estimated to begin in Fiscal Year 2016.

Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2010 - 2017	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the acquisition, design, and construction of approximately 0.36 acre of unimproved property contiguous with the south end of the existing Olive Street Park. The project will expand useable park acreage in the Uptown Community. Improvements may include amenities, such as multi-purpose turf areas, a children's play area, seating, walkways, landscaping, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore the current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscape areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Property acquisition has been completed. Design and construction will be scheduled when the City finalizes property issues.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2003 - 2017	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the acquisition, design, and construction of the Pacific Breezes Community Park. This park will be 15 acres with an additional five acres of joint-use with the adjacent Ocean View Hills School. Amenities may include lighted ball fields, a comfort station, a children's play area, picnic areas, and other improvements. A recreation center and pool complex are also scheduled to be developed at this site as separate future projects.

Justification: This project will provide the community with additional recreational opportunities and will enhance the visual quality of the area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various park areas.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the California Terraces Precise Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2007. Final design and construction began in Fiscal Year 2008 and were dependent upon the actual rate of development within the residential community. Final design and construction were delayed due to pending property acquisition and a reimbursement agreement. Property acquisition was completed in Fiscal Year 2010. Final design began and was completed in Fiscal Year 2011. Construction will be scheduled when additional funding is available.

Summary of Project Changes: Total project cost has increased by \$5.0 million to reflect the estimated cost of construction. Construction has been delayed until additional funding in the amount of \$5.0 million has been identified.

Description: This project provides for the design and construction of approximately 80,000 linear feet (15 miles) of hiking, equestrian, and biking trails to be located throughout the community in accordance with the Pacific Highlands Ranch subarea plan. The trail system will provide access into the multiple habitat planning area of McGonigle canyon; provide pathways along Del Mar Heights Road, Little McGonigle Ranch Road, Pacific Highlands Ranch Parkway, Lopelia Meadows Place, Old Carmel Valley Road Crossing under SR-56, and Carmel Valley Road alignments; and provide access into subarea II and the Rancho Penasquitos community. The project will also provide for the acquisitions, design, and construction of three trailheads/overlooks, including parking areas, benches, and signages.

Justification: This project will provide the community with additional recreational opportunities.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Subarea Plan, and is in conformance with the City's General Plan.

Schedule: This project is being completed in segments and is dependent upon the actual rate of development within the community.

Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2010 - 2015	619-533-5328
Improv Type: Replacement	adarvishi@sandiego.gov

Description: This project provides for the removal and replacement of the existing comfort station at Palisades Park at the foot of Law Street in Pacific Beach. Minor grading outside the limits of the building footprint is anticipated due to the improvement of the accessible path from the accessible parking to the comfort station. Major excavations will be carried out for the new retaining walls and building foundations. Because of the limited work areas, traffic control plans will be required during construction activities which will impact Ocean Boulevard.

Justification: These improvements are necessary to provide Americans with Disabilities Act (ADA) accessibility to the comfort station which is not currently accessible and to provide an accessible path of travel from the public way to the new facility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2014 and is expected to be completed in Fiscal Year 2015.

Description: This project provides for the installation of synthetic turf along two existing raised asphalt medians located along Bernardo Center Drive, one north of Bernardo Plaza Drive and the other one south of Bernardo Plaza Drive. The medians are within the Rancho Bernardo Maintenance Assessment District (MAD).

Justification: The medians along arterial roadways in Rancho Bernardo MAD were built in the late 1960s and are in need of refreshing. An existing brick median along Pomerado Road near Highland Valley Road is deteriorating. Existing turf medians may use more water than other landscaping applications; this project intends to reduce water usage.

Operating Budget Impact: These medians are currently maintained by the Rancho Bernardo MAD. Any increased maintenance that results from a change in design to these medians will be funded by the Rancho Bernardo MAD.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design and community input began in Fiscal Year 2012. Design began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Construction will begin in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2015. Project will remain active until warranty period ends in Fiscal Year 2016.

Summary of Project Changes: Project description has been revised. Project schedule has been updated for Fiscal Year 2015.

Description: This project provides for landscape infrastructure to irrigate native plant material within the north public right-of-way along Rancho Bernardo Road from west of West Bernardo Drive to just north of Matinal Road near an existing soundwall. This project may also include landscape enhancements.

Justification: Installation of a landscape infrastructure would provide for a permanent water source to ensure the viability of native plants.

Operating Budget Impact: This area is an identified area of maintenance for the Rancho Bernardo Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Water meter and irrigation system installation began in Fiscal Year 2012 and were completed in Fiscal Year 2013.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Description: This project provides for development of approximately six acres for a neighborhood park to include active and passive uses, parking lot, playground, comfort station, and lighted ball fields.

Justification: This park will provide additional amenities above the the population-based park acreage requirements set forth in the City's General Plan due to an extraordinary benefits agreement.

Operating Budget Impact: Maintenance and operations will be administered by a Maintenance Assessment District established in Fiscal Year 2007 and specifically created for this park.

Relationship to General and Community Plans: This project is consistent with the Rancho Encantada Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2008. This is a turn-key park built by the developer per a reimbursement agreement. Construction began in Fiscal Year 2013 and will be completed in Fiscal Year 2015.

Summary of Project Changes: Additional Facilities Benefit Assessment (FBA) funding of \$365,000 is anticipated to be allocated to this project per the Public Facilities Financing Plan for Fiscal Year 2015.

Project Status: Continuing	Contact Information: Winter, Jim
Duration: 2010 - 2020	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This annual allocation provides funding for planning and implementation of permanent public capital improvements, including land acquisitions for San Diego regional parks in accordance with City Charter, Article V, Section 55.2.

Justification: San Diego's regional park system contains recreation resources unique to the City. Parks such as Balboa Park, Mission Bay Park, Mission Trails Regional Park, Otay River Valley Park, and San Diego River Park, as well as open spaces and coastal beaches, help define the City's identity, enrich the quality of life for residents, and serve as visitor attractions that strengthen the local economy. These regional treasures are threatened by increasing use and a backlog of needed improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community and park master plans and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled in accordance with the scope of the various sublet projects and as funds become available.

Summary of Project Changes: The Regional Park Improvement Fund Oversight Committee reviews and approved allocations to eligible City of San Diego regional parks. It is anticipated that \$1.3 million will be transferred to two projects in Fiscal Year 2014.

Description: This project provides for land acquisition and development of a 4.9 useable acre neighborhood park at a site located in the Riviera del Sol Subdivision.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Riviera del Sol Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$30,447 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan, the Riviera del Sol Precise Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is ongoing. Construction documents have been completed.

Description: This project provides for recreation improvements on 4.1 useable park acres and 2.0 useable joint-use acres at the Salk Elementary School within the Mira Mesa Community. Improvements may include a comfort station, turf-ed multi-purpose fields, and other park amenities as determined through a community input process.

Justification: This project is mitigation for the development of Salk Elementary School pursuant to an approved Memorandum of Understanding between the City of San Diego and the San Diego Unified School District dated October 5, 2009, and will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2015. Construction is scheduled to be completed in Fiscal Year 2018.

Summary of Project Changes: Facilities Benefit Assessment (FBA) funding in the amount of \$2.1 million and Mira Mesa Park Development funding in the amount of \$2,200 are being allocated to this project for Fiscal Year 2015 for design and construction of the American with Disabilities Act (ADA) accessible ramp and comfort station.

Description: This project provides for the design and construction of lighting systems for the two multi-purpose sports fields at the San Ysidro Athletic Area/Larsen Field.

Justification: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth.

Operating Budget Impact: This facility will require an on-going operational budget for non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain sports field lighting in various parks.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and is anticipated to be completed in Fiscal Year 2014. Construction is scheduled to begin in late Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Project Status: Underfunded	Contact Information: Oliver, Kevin
Duration: 2007 - 2017	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides design and construction of improvements to enhance part of the 19.3-acre site currently maintained by the Presidio Little League. The improvements may include walkways, an entry monument, picnic areas, paved parking lots and roadways, landscaping, and irrigation upgrades for the existing athletic fields.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan Guidelines.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan. During preparation of the General Development Plan, the community expressed a concern regarding approval of the park plan without finalization of the draft San Diego River Master Plan. Therefore, approval of the Park General Development Plan was put on hold pending approval of the River Park Master Plan, at which time compliance with the document can be determined.

Schedule: Design began in Fiscal Year 2007 and is currently on hold. Approval of the Park General Development Plan is on hold pending approval of the River Park Master Plan. Construction will be scheduled as funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Project Status: Underfunded	Contact Information: Greenstein, Howard
Duration: 1998 - 2018	619-525-8233
Improv Type: Replacement	hgreenstein@sandiego.gov

Description: This project will replace an existing playground within Balboa Park's West Mesa along Sixth Avenue. It will include necessary improvements to comply with the American's with Disabilities Act, including upgrade or replacement of the existing comfort station, replacement of drinking fountains, and improvements to the paths of travel. Some play equipment was donated in 2012 but did not implement the full general development plan for the project; donated equipment will be incorporated into the new playground.

Justification: The existing playground equipment has reached the end of its useful life and needs to be replaced. A majority of the existing playground is not accessible to people with disabilities. This project will bring the playground into conformance with current accessibility standards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project complies with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design is complete. Construction will be scheduled when funding is identified.

Project Status: Continuing	Contact Information: Winter, James
Duration: 2009 - 2017	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This project provides for design and construction of an approximate 5.8 gross acre, 2.0 usable acre, neighborhood park in the Southcrest Neighborhood of the Southeastern Community Plan Area. Improvements may include picnic shelters, children's play area, hardcourts, walkways, fencing, amphitheater, open turf areas, security lighting, and site furnishings.

Justification: This project provides for additional park land in an extremely park deficient area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Southeastern Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and is anticipated to be completed by mid-Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: This park is now a turn-key project with Civic San Diego managing the final design and construction of the park.

Description: This project provides for the restoration of existing Talmadge Historic Gates and installation of new gates along sidewalks in the Talmadge neighborhood. Initial funding provides for restoration of existing gates only; additional funds in future years will provide for installation of new gates at other locations throughout the neighborhood.

Justification: The neighborhood of Talmadge is defined by historic gates located along the south side of Monroe Avenue at intersecting streets. These gates have been in existence for decades and are in need of restoration. Some are in danger of failing due to corrosion and decay. The budgeted allocations will provide for the restoration of these existing gates. Future phases in upcoming years will provide for installation of new gates that have been removed over the years or were never installed.

Operating Budget Impact: Talmadge Maintenance Assessment District (MAD) funds the maintenance of these gates.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Description: This project provides for streetscape and lighting improvements within the Talmadge Maintenance Assessment District (MAD). A prior phase of this project landscaped the traffic circle located at 49th Street, Adams Street, and Lorraine Drive. The current phase will install decorative street lighting throughout the neighborhood in conjunction with a utility undergrounding project. The MAD is divided into two zones (east and west). Ornamental lighting improvements are planned for Zone 1 (east). Upgrades and improvements to the existing lighting infrastructure are planned for Zone 2 (west). Companion projects are S00976, S00977, and S00978.

Justification: This project will enhance nighttime illumination, which should increase resident safety in Talmadge. Decorative elements in the lights will increase neighborhood identification and pride.

Operating Budget Impact: The Talmadge MAD will maintain the enhanced street lights and other improvements installed through this project. Maintenance of this area is identified as an improvement in the Talmadge MAD Assessment Engineer's Report and the Talmadge Master Plan.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Tierrasanta - Median Conversion / L14001

Council District: 7	Priority Score: 42
Community Plan: Tierrasanta	Priority Category: Medium
Project Status: Continuing	Contact Information: Antoun, Nevien
Duration: 2014 - 2017	619-533-4852
Improv Type: Replacement	nantoun@sanidiego.gov

Description: This project provides for the conversion of asphalt medians to concrete medians along various roadways in the Tierrasanta community. The first two phases of this project will convert medians along Santo Road between Aero Drive and Tierrasanta Boulevard. Additional future locations will be determined within the Tierrasanta Maintenance Assessment District (MAD) boundaries.

Justification: The community has requested streetscape improvements to major arterial corridors within Tierrasanta. This project allows certain medians to be enhanced by replacing deteriorating asphalt with decorative stamped concrete.

Operating Budget Impact: The existing hardscape medians are maintained by the Tierrasanta MAD (sweeping, litter removal, and weed removal). There is no anticipated increase in maintenance costs as a result of this project.

Relationship to General and Community Plans: This project is consistent with the Tierrasanta Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2015.

Description: This project provides for community identification signage and enhancements within the Torrey Highlands Maintenance Assessment District (MAD).

Justification: This project is consistent with the Torrey Highlands MAD Assessment Engineer's Report and will provide signage to identify the boundaries of the community.

Operating Budget Impact: Signs will be located in landscaped areas already maintained by the Torrey Highlands MAD. The additional maintenance impact should be minimal, although the design process may result in some minor increased cost associated with ongoing maintenance (such as sign lighting or focal landscaping around the sign). All additional costs will be funded by the Torrey Highlands MAD.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and it is in conformance with the City's General Plan.

Schedule: Community input and preliminary design were completed in Fiscal Year 2013. Design began and was completed in Fiscal Year 2013. Construction is anticipated to begin in Fiscal Year 2014 and is scheduled to be completed in Fiscal Year 2016.

Description: This project provides for recreational improvements on four undeveloped acres within the Torrey Hills Neighborhood Park. Improvements may include a recreation center, parking area, and/or other park amenities as determined through a community input process.

Justification: This project will contribute to satisfying population-based park requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Torrey Hills Community Plan and is in conformance with the City's General Plan.

Description: This project provides for the design, development, and protection of sensitive habitat and historic attributes for 44.0 acres of the 447.0 gross acre park located off North Torrey Pines Road. Amenities may include passive use areas, viewing platforms, access road, public parking lot, trail, beach access and accessibility improvements, two new public comfort stations, and park signage.

Justification: The General Development Plan was required pursuant to a settlement agreement between the City of San Diego and the Coastal Law Enforcement Action Network for violations resulting from unapproved on-site grading activities by the Lessee. Additionally, the park site is located in a community deficient in parks and recreational facilities per the City's General Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009. General Development Plan was approved in Fiscal Year 2013. Construction will be scheduled pending funding availability.

Summary of Project Changes: An increase of \$5.2 million in unidentified funding reflects an increased scope of work as a result of the General Development Plan.

Description: This project provides for design and construction of a 1,300 linear foot paved trail to accommodate people of all physical abilities. The trail will be located on an existing unpaved trail alignment within the Black Mountain Open Space Park off of Miner's Ridge Loop staging area. Associated amenities and support facilities may include a shaded viewing pavilion, wayfinding and interpretive signage/exhibits, information kiosks, and benches.

Justification: This project will provide a unique trail experience for park users, specifically persons with disabilities and is a high priority for the Black Mountain Ranch Open Space Park Citizen's Advisory Committee, as well as the Rancho Penasquitos Community Planning Group.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. Operational costs will be determined subsequent to design development.

Relationship to General and Community Plans: The project is consistent with the Black Mountain Open Space Natural Resource Management Plan, and is in conformance with the City's General Plan.

Description: This project provides for design and construction of approximately 1.72 acres of joint-use facilities at Tubman Charter School to supplement existing park acreage in the College Area community. Improvements may include turf multi-purpose fields, multi-purpose hardcourts, walkways, landscaping, and accessibility upgrades.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current operating cost estimate is based on the Park and Recreation Department's current cost to maintain various similar facilities. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the College Area community plan and is in conformance with the City's General Plan.

Schedule: The design of the General Development Plan began in Fiscal Year 2013 and it will be completed in Fiscal Year 2014. Design and construction will be scheduled when funding is received from developer contributions.

Summary of Project Changes: Development Impact Fee funding in the amount of \$350,000 has been allocated to this project in Fiscal Year 2015. \$1.4 million in developer contributions is anticipated in Fiscal Year 2016.

Description: This project provides for a new children's play area where no playground currently exists. The new play area would be geared toward children between 2 and 5 years of age, including path of travel accessibility improvements.

Justification: This project will contribute to satisfying population-based park requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2014. Construction will be scheduled when additional funding is identified.

Summary of Project Changes: City Council Report 13-088 dated October 23, 2013 identifies this project as receiving \$150,000 of Deferred Capital bond funds which is reflected in the Anticipated column of Fiscal Year 2015.

Duration: 2012 - 2016	619-533-6595
Improv Type: New	jharkness@sandiego.gov

Description: This project provides for the acquisition, design and construction of approximately 0.46 acres (composed of three separate parcels) of unimproved property. The project will expand useable park acreage in the Southeastern San Diego-Encanto Neighborhoods Community. Improvements will include amenities such as multi-purpose turf areas, a children's play area, seating, walkways, landscaping, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore the current cost estimate is based upon the Park and Recreation Department's current cost to maintain various landscape areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with recommendations of the Southeastern San Diego-Encanto Neighborhoods Community Plan, and is in conformance with the City's General Plan.

Schedule: Property acquisition was completed in Fiscal Year 2011. Design is scheduled for Fiscal Year 2015 and construction of the project is scheduled for Fiscal Year 2016.

Summary of Project Changes: \$734,000 in Development Impact Fee funding is being allocated to this project in Fiscal Year 2015. Total project cost has increased by \$284,000.

Description: This project provides Americans with Disabilities Act (ADA) upgrades and improvements to the children's play area and path of travel within the park required to comply with all State and federal accessibility guidelines and City standards. This project includes a new accessible onstreet parking space, site furnishings, play area equipment, and surfacing.

Justification: The Americans with Disabilities Act (ADA) of 1995 requires that children's play areas provide like facilities for all children regardless of physical ability. This includes equipment, as well as a resilient surfacing which is accessible to persons with disabilities. This project will also upgrade the children's play areas to be fully compliant with current State safety regulations and Federal ADA requirements.

Operating Budget Impact: None.

Description: This project provides for the installation of a new neighborhood identification sign for the Webster neighborhood within a planted median located along the south side of Federal Boulevard between 48th Street and 50th Street.

Justification: This project will provide signage to identify the boundaries of the Webster neighborhood.

Operating Budget Impact: The sign will be located in a landscaped area already maintained by the Webster-Federal Boulevard Maintenance Assessment District (MAD). The additional maintenance impact should be minimal, although the design process may result in some minor increased cost associated with ongoing maintenance (such as sign lighting or focal landscaping around the sign). All additional costs will be funded by the Webster-Federal Boulevard MAD.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan and is in conformance with the City's General Plan.

Description: This project provides for replacement of the destroyed identification sign located on Rancho Bernardo Road east of Interstate 15 and west of Bernardo Center Drive within the Rancho Bernardo Community.

Justification: This project is an identified improvement in the Rancho Bernardo Maintenance Assessment District (MAD). The previous sign was destroyed in a vehicle accident and is in need of replacement. The Rancho Bernardo MAD Citizen's Advisory Committee has approved full funding for this project to replace this sign (using proceeds from the insurance settlement).

Operating Budget Impact: Maintenance of the sign, including repair due to vandalism or vehicle accidents, removal of graffiti, general upkeep and cleaning, and ancillary landscaping and lighting, will be funded by the Rancho Bernardo MAD.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Community input was received in Fiscal Year 2012 to determine the theme, logo, and font for the new sign. Design began in Fiscal Year 2013 and will be completed in Fiscal Year 2014. Construction will begin and be completed in Fiscal Year 2015. Project will remain active until warranty period ends in Fiscal Year 2016.
