Terms and Special Conditions

Additional Operating Hours for Recreation Centers

With the Department's approval, Recreation Councils have the ability to pay for additional hours to operate their centers. Donations to Recreation Councils which are 501(c)(3) entities are encouraged. Other entities or individuals may also purchase additional operating hours. When a specific location is not identified by the donor, the Park and Recreation Director will determine the location and time for the additional operating hours. Major increases in operating hours at sites may require an amount above the stated rate due to staffing configurations. For example, adding eight hours to a 40 hour per week site for an extended period will be reviewed by the Department to determine any changes in classifications or support needed.

Athletic Events in Passive Areas

Use of all turf areas other than designated athletic areas for athletic activities, and athletic areas for passive activities should be avoided as much as possible. However, in some areas athletic fields are highly used and the use of passive park land is needed for athletic activities.

When determining whether a group falls under an athletic program fee or the ground use fee, the deciding factor is the type of activity to take place. For example, if a group requests use of a passive area for an athletic activity, you should use whatever fees are appropriate for that athletic activity. If a youth football league requests to use a passive area for a tournament, tournament fees will apply. Likewise, if a group wants to use an athletic field for a picnic, you will refer to the ground use fee.

Athletic Fields and Gymnasiums

If during normal hours of operation, athletic fields may be rented for a minimum of one hour. If rental is during non-hours of operation, a two hour minimum rental is required.

In addition to permit fees, field damage surety bonds (typically, \$200-\$500) cleaning deposits (typically, \$100-\$300) may be required.

Priority Use

The following priorities for athletic fields and gymnasiums have been established to provide opportunity for an array of sports play at facilities:

| | |
|---|---|
| Youth Softball, Baseball and Lacrosse | February 1 through July 31 |
| Youth Football & Soccer | August 1 through December 31 |
| Youth Rugby | December 1 through May 31 |
| Youth Indoor Basketball | December 1 through March 31 |
| Adult Softball, Baseball, Lacrosse & Soccer | Mar. 1 through July 31 (Spring/Summer); Aug. 1 through Dec. 31 (Summer/Fall) |
| Adult Football | August 1 through December 31 |
| Adult Rugby | December 1 through May 31 |
| Adult Indoor Basketball | November 1 through February 28 (Winter); May 1 through August 31 (Summer) |
| Adult Indoor Volleyball | September 1 through December 31 |

The Department reserves the right to modify priorities and establish priority for other activities, in its sole discretion.

Youth leagues are given field priority until 6 p.m. Exceptions must be approved by the Department Director or his/her designee. Resident teams have first priority to participate in Department sponsored Citywide or community leagues using municipal athletic facilities. Non-resident teams may play in sponsored leagues if space is available.

Leagues that play at different sites are required to pay the League Team Fee once. Center Directors at sites collecting the fee should fax payment information to those Center Directors also hosting the league. Friendly or practice games which occur on fields during the league's permitted time/location are allowed; however, all teams participating must have paid the League Team Fee. For example, Team A on a league invites a Team B from Orange County for a friendly scrimmage during normal practice times within Team A's permitted field and time. Team B would be required to pay the League Team Fee. League directors must contact staff at each site to assure availability and permit approval. However, payments to Recreation Councils are required at each site. For

example, if an adult softball league has 10 teams on its league playing at both Robb Field and Morley Field, only 10 League Team Fees are required, payable at either site. If Recreation Council fees apply, the league must pay at both Robb Field and Morley Field.

When adult league play includes both lighted and unlighted hours, the Center Director may determine an appropriate split between lighted and unlighted rates. For example, if half of league games require lights, the Center Director may charge unlighted rates for half of the league teams and lighted rates for the remainder. The Center Director is not required to identify which teams pay the unlighted versus lighted rate; this is the responsibility of the league director.

Field Preparation

Preparation of athletic fields is the responsibility of the league or organization. Bases will always be provided when those fields with base pegs are rented. They will not be provided for those fields without base pegs. It is the responsibility of the league and/or league director to provide lining for the field. Gypsum will not be provided by the Department to those groups renting the fields. Storage availability for groups renting fields on a regular basis will be determined by the Center Director.

Only City power equipment will be allowed on the fields. Contractual use of power equipment by renters will not be allowed unless approved by the Deputy Director. Only City staff, during their shift, may use power equipment on the fields. (Exceptions will be made for groups with Preferential Use and Occupancy Permits, Special Use Permits, and other certain agreements with the City.)

Youth League Reservations

If a youth league has teams that do not use City of San Diego fields, the league director may petition to the Center Director to adjust the League Team Fee to exclude those teams that use fields exclusively in other jurisdictions from paying the League Team Fee for that season. The Center Director must be satisfied that sufficient documentation is provided by the league director to substantiate the claim.

Cancellations

Unless otherwise stated in the Fee Schedule or issued permit, 100% of paid fees will be refunded provided that the permit holder submits a written advance notice of cancellation, at least 30 calendar days prior to the date of the event. Cancellations received less than 30 calendar days prior to the event will be charged 25% of the fee paid. Cancellations received less than 10 calendar days prior to the event will be charged 50% of the fee paid. No refunds for cancellations less than 48 hours prior to event.

Day Camp Fees

Day camp fees may be prorated only if a formal drop-in program exists (i.e., participants are not required to sign up for a session and can attend daily). Fees cannot be prorated for partial attendance of a session if daily drop-ins are not permitted.

Disabled Rates

Disabled rates, where applicable, are offered for activities in which 75% of the participants are persons with disabilities and are City of San Diego residents. Proof of disability (doctor slip, disabled parking placard) and residency may be required. Non-Hours of Operation Fee is not discounted for activities for persons with disabilities.

Fiesta Island Youth Camp

Specific camp regulations such as maximum persons per site and number of sites contained within a campsite cluster are available at the Developed Regional Parks Division's Permit Center.

Government Use of Facilities

The Park and Recreation Director may reduce or waive fees for the use of indoor facilities by other government agencies and public school districts (non-athletic events) for official government business. Only one waiver or reduction is granted per agency or school district per fiscal year. Requests for waivers or discounts must be submitted in writing no later than fifteen working days before facility use.

Ground Use Fee

Discounted youth activities are generally defined as activities with over 75% attending under the age of 16, resident disabled or senior. Groups must provide documentation that is acceptable to the Center Director/Permit Center or Park Manager to receive the discount. Daily rate refers to a 24 hour period, usually beginning at 8 a.m., subject to general park opening and closing hours. No

prorating allowed. Leaseholders in Mission Bay are not required to pay this fee when use is contiguous to their leasehold and the City is to receive a percentage of revenues per their lease agreement for the scheduled activity on park land. Runs/walks are charged the Ground Use Fee if using park land as a staging area, including starting, resting or “pit” stops and ending points. If this type of event is only passing through park land, no fee is required.

Opening day events for youth sports leagues and other special events for such groups are required to pay the Ground Use Fee only if their event requires more areas than normally used during games. For example, if picnic shelters and passive areas are needed for set-up, registration, etc., which are not normally used for regular season games, then the Ground Use Fee is required. Set-up and tear-down days shall be considered within the permit period. For example, if an event of 500 people is to take place on Saturday, with set-up on Friday with only 50 people, then fees will be required for both days—a higher rate on Saturday based on 500 persons and a lower rate on Friday (the 50-150 persons category).

Joint Use Locations - Clarification of Charges for Public School Districts

If a public school district that has a joint use agreement requests the use of an athletic field, outdoor court or gymnasium that is one of their joint use sites, there is no charge. For copies of agreements, contact Division Administrative offices. A list of all existing joint use sites is included as a reference.

For Park and Recreation sites not under a joint use agreement, a fee must be collected for use by a public school. For school district use of non-joint use park land for athletic activities, see pages 1 through 3. For use of non-joint use park land for non-athletic activities, see page 15 for Ground Use Fees. For non-athletic activities, school district groups under 50 persons are not charged the Ground Use Fee. Special Equipment Set-Up Fee and/or Picnic Shelter Reservation Fee may be required depending on the event requirements.

Low Income Fee Waivers

Not all Park and Recreation Department programs are eligible for low income fee waivers. Fees for City-conducted Park and Recreation Department recreation programs and the City surcharge on contractual recreation programs conducted by Recreation Councils are waived for individuals from families whose gross income in the past twelve months falls within the Lower Living Standard Income Level. The limits are:

| <u>Size of Family</u> | <u>Annual Income</u> |
|-----------------------|---|
| 1 | \$16,668 |
| 2 | \$27,304 |
| 3 | \$37,488 |
| 4 | \$46,274 |
| 5 | \$54,609 |
| 6 | \$63,868 |
| More than 6 | Each additional family member add \$9,259 |

Completion of a fee waiver form is required for each activity for which a fee waiver is requested. A copy of the applicant's current Internal Revenue Service (IRS) tax return shall be used to verify income. A Social Security Award-Benefit letter or a Social Security Proof on Income letter may also be used for verification of income.

Non-Hours of Operation

The term "Non-Hours of Operation" used throughout this Fee Schedule is added to the basic fee (even if no charge) when facilities are reserved outside the normal hours of operation when City staff is required on site. Each facility may have its own unique hours of operation, as determined by the Department. There is a two hour minimum charge if Non-Hours of Operation are not contiguous with normal hours. Prorating for partial hours is not allowed. If two or more groups are scheduled to use a facility during Non-Hours of Operation, then only one Non-Hours of Operation fee is due, and the Fee be split among the groups equitably where possible (subject to additional charge if additional staffing is increased to accommodate all rentals).

Payment of Non-Hours of Operation Fee does not provide open access to an entire facility to the public. Groups or individuals that desire full public access to a recreation center will be required to pay the Additional Operating Hours for Recreation Centers fee. Department activities are exempt from paying the Non-Hours of Operation Fee. Non-Hours of Operation Fee is not discounted for activities for seniors or persons with disabilities. Recreation Council activities (e.g., day camps, special events, etc.) are not required to pay Non-Hours of Operation if the activity is co-sponsored by the Department and City staff is available to be on-site.

Non-Profit Fee Categories

Groups qualify for the non-profit Fee categories and treatment if they are an approved non-profit organization under 26 U.S.C. § 501, with current status. City staff may request documentation from groups to qualify for these rates. Groups that cannot show sufficient documentation will be referred to other appropriate fee categories with the area requested (e.g., non-commercial or commercial status).

Outdoor Courts

Scheduled use precludes non-scheduled users from utilizing the designated court. Staff may need to post the site prior to a reserved event to discourage unscheduled users. Rental may not be prorated for partial use of a court or less than one hour use. Cancellations within 14 calendar days of event forfeit the rental fee.

Permits

Permits are not issued until payment is received. Some permits may require insurance, cleaning deposits and/or damage deposits. Groups may be invoiced for associated cost recoveries if deposits are not charged or sufficient to cover all damage.

Promotional Opportunities

The Park and Recreation Department encourages the use of facilities for special events, and appreciates the support from our users. Permits should be reviewed by the Center Director to determine if it is appropriate to request the permittee to formally acknowledge the Department's cooperation or participation. Acknowledgment could be part of the event's flyers, promotional materials, public service announcements, banners, signage, or verbal announcements during the event. The Department can supply camera ready art work for Park and Recreation logos.

Recreation Center Use

Amounts charged for room use by the County Voter Registrar should not exceed the County's legal limit for this expense.

Senior Group Rates

Senior group rates, where applicable, apply to activities in which 75% of the participants are 62 years of age or older and are City of San Diego residents. Non-Hours of Operation Fee is not discounted for activities for seniors.

Special Equipment Set Up

There is no charge for outdoor volleyball nets, portable toilets, tables or chairs (except in Mission Bay, Shoreline and Balboa Parks); however, for large groups a deposit may be requested to cover potential damage to turf. (Tables and chairs are charged for use in Mission Bay, Shoreline and Balboa Parks.) (See Grounds Use Fee section.)

Sponsorship or Co-sponsorship of Events by the City

Community events officially sponsored by Park and Recreation require direct and active involvement by Park & Recreation staff in the planning, coordination, and actual presentation of the event. Events officially sponsored by City Council offices require direct and active involvement by the Council/Mayor and/or their staff. Community events officially sponsored by the City must be accompanied by a written confirmation from a City Council staff representative or the appropriate City department appointing authority.

Swimming Pools

Priority Use

The following priorities for swimming pool use have been established:

- 1) Department staff conducted programs.
- 2) Public school district- and public school- sponsored teams or learn-to-swim programs (Swim season is Feb. 1 through May 31; Boys Water Polo season is Aug. 1 through Nov. 30; Girls Water Polo season is Nov. 15 through Feb. 28).
- 3) Non-season public school district or school sponsored teams. Non-profit and private, non-commercial groups (birthday parties, etc.). Proof of non-profit status will be required.
- 4) Profit groups, commercial groups and organizations. Includes non-public agency swim clubs.

Additional Terms

Security, cleaning deposits, and insurance may be required, and will be determined by the Pool Manager.

Cancellation Policy

Exclusive rentals (special use permits) must be canceled in writing 14 calendar days prior to the event to receive full refunds. Monthly rentals must be canceled in writing 48 hours prior to the event to receive full refunds. Late cancellations will forfeit 25% of fees paid.

There will be no refunds granted for swimming lessons unless canceled by City staff. A transfer or credit to another class may be permitted by the Pool Manager, in their sole discretion. Swimming lessons which fall on holidays will be rescheduled or pro-rated if the facility is not scheduled to be open on that date.

There will be no refunds granted for emergency closures due to pool contamination. Patrons with paid facility admission receipts who must leave a pool due to such emergency will be issued a voucher for admission that will be valid for 1 year from the date of the incident.
