

Thank you for your interest in the Black Mountain Park Natural Resource Management Plan!

Please note that there are two copies of the Plan posted to the site:

- Draft Black Mountain NRMP 11-11-10.pdf is the most current draft available for review
- Draft Black Mountain NRMP 2006 w response to comments underlined.pdf is the draft that was last reviewed by the CAC, and includes the changes made at the request of the CAC and other reviewers in strike-out underline.

There are minimal changes between the two, including general editing and updated information for MSCP Biological Monitoring.

Please contact Betsy Miller, MSCP Biologist with the Open Space Division, at 619-685-1314 or bmiller@san Diego.gov with any questions or comments.
