Dear Doreen:

Thank you for your email regarding the event The Prado is planning in conjunction with Restaurant Events on Tuesday, June 16, 2009. **The Old Globe** supports The Prado hosting this event for 600 people at The Prado and the Lily Pond. We understand that:

- Check-in and reception will take place at The Prado at approximately 6:00 p.m.
- The guests will move to the Lily Pond at 7:00 p.m. for dinner service. Any amplified announcements will take place between 7:30-8:00 p.m. There will be a string quartet during dinner, and the speakers will be turned eastward to reduce sound traveling to The Old Globe.
- The Prado and Restaurant Events have agreed that all noise will be kept at a minimum level so as not to disturb the performance of *Twelfth Night* in the Lowell Davies Festival Theatre beginning at 8:00 p.m., and if requested by Globe staff to reduce the amplified sound, will do so immediately.

Sincerely,

A handwritten signature in black ink that reads "Michael Murphy". The signature is fluid and cursive.
