

REPORT

THE CITY OF SAN DIEGO TO THE PARK AND RECREATION BOARD

DATE ISSUED: May 8, 2013

REPORT NO: 102

ATTENTION: Park and Recreation Board
Agenda of May 16, 2013

SUBJECT: Naming of Mira Mesa West Little League Junior Division field in honor of
Les Fletcher (deceased)

SUMMARY

Issue – Should the Park and Recreation Board approve the naming of the Mira Mesa West Little League Junior Division field in honor of Les Fletcher?

Director's Recommendation – The Department does not take a position on facility naming requests.

Other Recommendations –

- On March 12, 2013, the Mira Mesa Recreation Council voted unanimously to recommend approval of naming the Junior Division field for Mira Mesa West Little League as Les Fletcher Memorial Field.
- On April 3, 2013, the Community Parks 1 Area Committee voted unanimously to recommend approval of naming the Mira Mesa West Little League field as Les Fletcher Memorial Field.

Fiscal Impact – None. The signage will be paid for and maintained by the Mira Mesa West Little League

BACKGROUND

Les Fletcher leaves behind a legacy perhaps unmatched in the history of Mira Mesa West Little League. Les was involved with Little League for several decades, most of that time devoted to umpiring, training and mentoring other umpires. Les was the longest serving Umpire-in Chief for District 32 serving over 20 years. One of the highlights of Les's time in Little League was his well-deserved umpiring assignment in the 2005 Little League World Series.

As a retired and proud Navy CWO4, Les brought a sense of fairness, honor and a belief in the rules to every game he umpired. His focus on safety, equal enforcement of the rules and good behavior from parents gave all the players the best Little League experience possible.

DISCUSSION

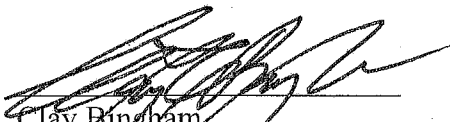

Mira Mesa West Little League would like to recognize Mr. Fletcher as a long time Little League volunteer by officially dedicating their Junior Division Field in his honor by naming it Les Fletcher Memorial Field.

The naming of the field in honor of Les Fletcher is in compliance with Park and Recreation Board Policy #1001, "Naming of Parks and Recreation Facilities" (copy attached).

ALTERNATIVES

Do not approve the naming of the field in honor of Les Fletcher.

Respectfully submitted,

Clay Bingham

PARK AND RECREATION BOARD POLICY

- SUBJECT:** Naming of Parks and Recreation Facilities
- BACKGROUND:** The public sometimes suggests that parks and recreation facilities be named after persons, living or dead.
- PURPOSE:** To provide a systematic procedure for the naming of parks and recreation facilities which will assist in their location by the citizenry, and to develop a method for the retention of names of historical or fiscal significance.
- POLICY:** As a general policy, parks and recreation facilities should be named to identify their locations. Especially for parks, the name of the community area, the names of nearby geographic features, the names of adjacent schools and street names should be given first consideration. However, they may also be named for individuals, living or dead, who are of historical significance to the local area or who have made major financial contributions in the opinion of the appropriate Recreation Councils and/or other advisory bodies, Board committees and the full Board. Facilities within parks, (such as buildings, gyms, courts, etc.) are more appropriate for naming after individuals than are parks.
- Renaming a facility for a person, when that facility is already named for a person, should only be undertaken with the utmost consideration. Every attempt should be made to contact the person or heirs of the person for whom the facility is currently named, to present their views verbally, or in writing, at a public hearing.
- PROCEDURE:** The Recreation Council effected by the proposed name change, shall hold a public hearing to review the request and the supporting documents and information, and shall make recommendations to the Area Committees and the Park and Recreation Board on any and all recommended changes to the renaming of existing facilities.
- SUBSTANTIATION:** Park and Recreation Board Minutes of 6/16/83 (page 2469)
Park and Recreation Board Minutes of November 15, 2001 (page 4).

Dear Parks and Rec,

Mira Mesa West Little League would like to recognize a long time Little League volunteer by officially dedicating our Junior Division field to Les Fletcher and naming it the Les Fletcher Memorial Field.

Les Fletcher leaves behind a legacy perhaps unmatched in the history of Mira Mesa West Little League and our District 32. Les was involved in Little League for several decades, most of that time devoted to umpiring, training and mentoring other umpires. Les was the longest serving District 32 Umpire-in-Chief, and served on our district staff for well over 20 years. Most recently, he had umpired numerous games for the Mira Mesa West Little League, where his son is a coach and his grandson a player.

One of the highlights of Les' time in Little League (and a highlight for all of District 32), was his well-deserved umpiring assignment in the 2005 Little League World Series. An honor coveted by thousands of volunteer Little League umpires, Les ably called several games in that year's tournament.

Les also served for many years as part of the security staff during the West Regional tournament each summer in San Bernardino, worked as a tournament director for district tournaments, and spent many years leading the district rules and umpire clinics held during the winter and spring.

Seldom has there been anyone with a greater love for Little League, volunteering and the importance of quality umpiring. A retired and proud Navy CWO4 Les brought a sense of fairness, honor and a belief in the rules to every game that he umpired. His gruff exterior belied a heart of gold, and no one cared more than Les about putting kids first in Little League. His focus on safety, equal enforcement of the rules, and good behavior from adults, were all designed to give kids the best Little League experience possible.

Those who knew Les well will never forget his generosity, his wealth of knowledge about Little League and its rules, his great sense of humor (a surprise to some), and his always entertaining stories.

While the shock and sadness of Les Fletcher's passing are with us today, we know that his legacy and all that he meant to Mira Mesa West Little League will live on tomorrow, and for as long as Little League is played in our community.

Thank you,

Marybeth MacNaughton
President Mira Mesa West Little League

WORKSHOP ITEMS

1. Concession Stand Operations on Park Property

Ms. Mournian expressed concern about the use of City facilities, i.e. snack bars by different user groups such as the little leagues. Her major concerns included but were not limited to; leagues not possessing the proper health permits, the use of City water and electrical, the lack of permit fees for the use and lack of revenue coming back to the local recreation councils. Ms. Mournian provided Mr. Palle with the following documents to be distributed to the committee members following the meeting.

After some discussion Mr. Palle informed the committee members that District Manager Marilyn Stern has been assigned to work on addressing the health permit issues as it relates to the use of City facilities. He is hopeful that Ms. Stern will be available to attend the meeting in June to provide a report on this item. Mr. Palle also informed the committee that the discussion of snack bar operations has taken place amongst the fee and charges committee members. The Department is pursuing hiring a consultant and this item has been identified by the committee as an item of interest.

2. Ice Cream Vendor Operations on Park Property

Mr. Frichtel reported that he has witnessed an ongoing problem with vehicle and push cart ice cream vendors in the Mira Mesa area. Volunteers and park staff have been monitoring the activity in the park(s) but it has become extremely difficult. He stated that the local recreation council expressed interest in charging the vendors since it was so difficult to regulate.

Mr. Pilch added that he felt this was an enforcement issue and that SDPD would need to provide assistance with the enforcement. Committee members agreed but also added that this type of activity would not be considered a priority for SDPD.

Mr. Palle provided the committee members with information (City Charter, municipal codes and solicitor applications) as it pertains to food sales and retail activity on park property. He stated that the councils could not enter into agreements with the ice cream trucks and push cart vendors and cited specific documents. His recommendation was for staff to increase their communications with SDPD and continue to monitor and report as necessary.

MEMBER REPORTS

San Carlos/Lake Murray Council Representative John Pilch reported the following:

- Inquired about the plan for the Hickman Fields Improvement project. Information was shared with a member of his recreation council and he wanted to know if this committee was aware of the proposed improvements.

There are two plans being proposed, one plan with minimal changes to the field configurations and the second plan with significant changes. Both proposed plans include a community center and pool.

Mr. Palle informed the committee that staff has presented the information to the three recreation councils in what are considered the service areas for Hickman Fields; North Clairemont, Kearny Mesa and Serra Mesa. Kearny Mesa Recreation is the assigned advisory body for Hickman Fields. There was also a public input meeting held on March 20th, at MOC with another public input meeting to take place in the near future.
