ITEM – 6: **ERMA ROAD APARTMENTS – PROJECT NO. 217843**

City Council District: 5

Plan Area: Scripps Miramar Ranch

Staff: Jeffrey A. Peterson

Erma Road Apartments: (Process 4) Site Development Permit to allow for the construction of 114 (for rent) residential units. This action includes the cancellation of the previous approved Site Development Permit No. 697691 and Planned Development Permit No. 571238, and rescinding Vesting Tentative Map No. 571214 that allowed for 95 residential units on the site under Project No. 137944. The proposed project will conform to the Council Policy 900-14 criteria by generating 50-percent or more of the projected total energy consumption on site through renewable energy resources (i.e. photovoltaic); however, the applicant is proposing generating 100-percent of the projected total energy consumption on site through renewable energy resources. The project site is located at 9889 Erma Road, north of Mira Mesa Boulevard and west of Scripps Ranch Boulevard. The 3.92-acre site is located in the RM-2-5 Zone within the Scripps Miramar Ranch Community Plan. The site is within the Airport Environs Overlay Zone (AEOZ) for the Airport Influence Area-Review Area 2, the Overflight Notification Area and the Federal Aviation Administration (FAA) Part 77 Noticing Area for the Marine Corps Air Station (MCAS) Miramar, Scripps Miramar Ranch Facilities Benefit Assessment District, Residential Tandem Parking Overlay Zone, and Council District 5. Mitigated Negative Declaration (MND) No. 137944 was prepared for the original Erma Road Project and was certified by the City Council of the City of San Diego on November 10, 2009. The project proposes the construction of 114 residential units, where previously 95 residential units were permitted. In accordance with California Environmental Quality Act (CEQA) Guidelines Section 15162(a); no subsequent environmental document is required, in that no new additional impacts and/or mitigation measures are required beyond those that were analyzed in the original environmental document. All of the impacts were adequately addressed and disclosed in previously certified MND No. 137944. Report No. – PC-11-055

TODAY'S ACTION IS:

Process 4. Approve or deny the project.

DEPARTMENT RECOMMENDATION:
