SUBJECT: Doti Point Project No. 1481– Continuance from February 10, 2005

On February 10, 2005, the Planning Commission heard the Doti Point project and continued the item to April 21, 2005. The Planning Commission directed staff and the applicants to consider several project revisions and to work with the community planning group.

Subsequent to the hearing, staff and the applicant have had several meetings with the subcommittee of the Skyline-Paradise Hills Community Planning group and, as a result of those meetings, the project consultants are working on several revisions to the project plans and necessary reports. The project will be resubmitted to the City for staff review. At this time, the project has not yet been submitted back to the City, therefore, on April 21, 2005, staff will request that this item be continued to a future hearing date and the item will be re-noticed.
