Speakers shall be limited to three minutes each and comments shall be limited to three minutes per subject regardless of the number of people registering to speak on that matter. The allowable time to speak may be limited to less than three minutes at the Chair's discretion. The Chair shall not permit any communication, oral or written, to be made or read where it does not bear on something which is within the subject matter jurisdiction of the Commission.

2.4. A "majority vote" means the affirmative vote of four Commissioners. A "two-thirds vote" means the affirmative vote of five Commissioners.

2.5. Procedure for Docket Items: The following guidelines may be used in considering any item and may be modified at the discretion of the Commission Chair or by a majority vote of the Commission setting different time limits:

- (a) Staff presentation.
- (b) Clarifying questions from the Commission.
- (c) Testimony by members of the public regarding the item (maximum of three minutes each or as the Chair determines appropriate).
- (d) Planning Commission Questions and Discussion: The goal of the Commission is to ensure a balanced dialogue among its members, staff and the public. Each Commissioner shall be provided an equal period of time to initially speak based upon the order of recognition as determined by the Chair in accordance with the recognition light panel or as determined during the hearing. Subsequent to all Commissioners recognized by the Chair completing their initial round of comments, an additional equal amount of time shall be provided to each Commissioner in the initial order of recognition. 3.1. Collective Concurrence Prohibited: Except as authorized pursuant to California Government Code section 54953 allowing teleconferencing, any use of direct communication, personal intermediaries, or technological devices that is employed by a majority of the members of the Commission to develop a collective concurrence as to action to be taken on an item by the members of the Commission is prohibited.

3.2. Ex Parte Communications: In the interest of protecting the fair hearing process as well as preventing any appearance of bias on behalf of the Planning Commission, it shall be the policy of the Commission to avoid ex parte communication. Contact with applicants, appellants, citizen groups or other parties outside of the noticed hearing is considered ex parte communication.

3.3. Disclosure of Ex Parte Communications: If Commissioners receive or participate in ex parte communications, the time, identity of the persons who participated, and a description of the content of the communication should be disclosed at the commencement of the hearing on that item. Any written communication accepted by a Commissioner shall be immediately provided to the Planning Commission Secretary for distribution to the full Commission.

3.4. Voting After Absence from a Meeting: Commission business shall not be impeded by the absence of a member as long as a quorum is present. Members absent from a Commission meeting shall be required to study and review applicable material and the audio/visual evidence before voting thereafter on any such matters. Should a Commissioner be unable to prepare for the subsequent hearing, that Commissioner shall recuse from participating in that matter to allow the business of the Commission to proceed in a timely fashion.

3.5. Scheduling of Planning Commission Meetings: The Planning Commission Secretary shall establish a Tentative Schedule of Thursday Meetings as will permit a full attendance of all of the Planning Commissioners at all meetings. Any member of the Planning Commission may request a revision to the Tentative Schedule of Meetings at any time to assist in assuring that full quorums are present at all meetings.

3.6. Attendance at Meetings: It shall be the duty of each Commissioner to attend all scheduled meetings, and to participate and act on all items posted on the agenda (except on matters involving conflicts of interest). Any Commissioner who is unable to attend a meeting, or is unable to be available for the entire meeting, shall provide at least two weeks advance notice prior to that meeting. An unexcused absence shall be recorded for any Commissioner who fails to provide advance notice.

3.7. Conflict of Interest: Commissioners are subject to the California Political Reform Act and the City of San Diego's Ethics Ordinance and are required to file Statements of Economic Interest.

Rule 4: APPOINTMENT OF THE CHAIR AND VICE-CHAIR

4.1. Title: The official title of the Commission's presiding officers shall be Chair of the Planning Commission, and Vice-Chair of the Planning Commission.

4.2. Appointment of the Chair and Vice-Chair: Pursuant to the Office of the Mayor's practice, the Chair and Vice-Chair of the Planning Commission are designated by the Mayor. The Chair and/or Vice-Chair shall serve until successors are appointed by the Mayor.

4.3. Rule 5: THE PLANNING COMMISSION DOCKET AND BACK-UP MATERIAL

5.1. Preparation and Delivery: The Planning Commission Docket and back-up material are prepared by, and delivered to the Commission by the Planning Commission Secretary. The Docket and back-up material are delivered to each Commissioner at least one week prior to the hearing.

5.4. Large packets (five or more pages) submitted by interested persons must include 12 copies. All other material will be distributed to the Commission on the day of the hearing.

Rule 6: VOTING RULES AND POLICIES

6.1. Votes: It takes four affirmative votes from the Commission to take any action, unless otherwise stated herein or as may be required by law.

6.2. Appeals: Process 2 and 3 project decisions appealed to the Planning Commission require at least four affirmative votes to overrule the previous decision. If four affirmative votes cannot be obtained, the previous decision on the project stands.

6.3. Inability to Obtain Four Votes: If four affirmative votes cannot be obtained and the hearing presents a situation where an absent commissioner(s) is capable of participating at a future hearing, the matter is automatically trailed as unfinished business to the next meeting where the absent commissioner(s) can vote. The absent commissioner(s) should review the audio and/or visual record of the hearing and review all evidence before voting.

If four affirmative votes cannot be obtained and the circumstances above do not apply, the Commission may vote to continue the matter for additional information where there is a reasonable likelihood that additional information could alter the vote (subject to limitation set forth in the Permit Streamlining Act and generally not to exceed 90 days).

Alternatively, where a continuance for new information does not change the vote, the Commission may move to "table the item" or move to "take the item off docket". An action with four affirmative votes to "table the item" or "take the item off docket" is then considered a denial, which is appealable to the City Council by an interested person.

For Process Five decisions, where a continuance for new information does not change the vote, the Commission may act to forward the matter on to City Council with "No Recommendation" or with a "Split Recommendation."

6.4. When a Bare Quorum is Present: In any circumstance where only the bare quorum of commissioners are present (4) for a hearing, and an absent commissioner is capable of participating at a future hearing, it shall be the policy of the Commission to offer any applicant or appellant an opportunity to request a one-time continuance to a date certain when the absent commissioner(s) are expected to be present. When such a request is made by an interested person, it shall be the policy of the Commission to grant the continuance.

6.5 Referrals: The Commission may refer a policy issue or Land Development Code amendment suggestion to staff for consideration.

6.6. Recommendation to the City Council: The Commission may forward a recommendation to the City Council on a particular project or matter within the Commission's jurisdiction on which the Commission has taken action. Staff will transmit this information in the written materials prepared for the City Council.

6.7 Designation of a Commission Representative: The Commission may designate a Commissioner to represent the Commission before the City Council on a particular project or matter within the Commission's jurisdiction on which the Commission has taken action. Designation shall occur, if at all, at the time the Commission takes action on the item. The designated Commissioner shall provide input to the City Council consistent with the Commission's motion and discussion on the item.
