Uptown Streetcar Feasibility Study

Initial Findings Presentation

Wednesday, May 21st, 2014
6 pm to 8 pm
St. Paul's Cathedral Guild Room
2728 Sixth Avenue

The Planning, Neighborhoods & Economic Development Department of the City of San Diego in collaboration with the Uptown Community Parking District, has completed its analysis into a potential streetcar line in the Uptown community and is in the process of drafting the Final Report.

Please join us and learn about several of the key findings of the study thus far. The presentation will be followed by an opportunity for public input. Light refreshments will be available.
