

BARRIO LOGAN HISTORIC CONTEXT AND HISTORIC RESOURCES SURVEY

WHAT DOES IT INVOLVE?

- Development of a Historic Context Statement
 - a brief history of Barrio Logan that describes general trends, groups, and events in Barrio Logan's history and their known or likely effects on the community's development.
 - identifies major themes and associated property types.

- Historic Resources Survey
 - A reconnaissance survey of the entire Barrio Logan Community Plan Area, during which the surveyors identify all buildings and structures older than 1965, create a photograph log, assign architectural styles and building types, and tie any particular buildings or groups of buildings to the themes identified in the historic context.

WHAT WILL THE FINAL PRODUCT LOOK LIKE?

- The final report will include:
 - historic context statement
 - survey results
 - potential historic districts and individual properties
 - recommendations for further study
 - Ultimately, the historic study will lay the groundwork for future identification, evaluation, and registration of historic properties in Barrio Logan. It will be a tool that will aid in the preservation of the neighborhood's important historic buildings and districts.
