

City of San Diego
MEMORANDUM

Date: March 4, 2005

To: Members of the Community Planners Committee

From: Betsy McCullough, Deputy Planning Director

Subject: CPC Action on Proposed Revisions to Council Policy 600-24

On March 22, the CPC will be asked to vote on proposed revisions to Council Policy 600-24 "STANDARD OPERATING PROCEDURES AND RESPONSIBILITIES OF RECOGNIZED COMMUNITY PLANNING COMMITTEES". The revisions were developed during a series of meetings of the CPC subcommittee over a period of six months. The CPC subcommittee members made recommendations, City staff made additional recommendations, and revisions were drafted to reflect language that the subcommittee felt enhanced the ability of the planning groups to work within the Policy.

On March 1, the proposed revisions to Council Policy 600-24 were posted to the Planning Department website at: www.sandiego.gov/planning/cpg.shtml. Still posted, and available for your review, are the issues matrices used by the subcommittee and staff to develop the proposed revisions. All planning groups have had an opportunity to review the latest versions of the proposed revisions since October 2004.

Please take time to review the revisions to the Policy. I look forward to the CPC discussion on March 22.
