Re: 6th Update to the Land Development Code and Local Coastal Program Amendment

Dear Chair and Planning Commissioners:

At its May 27, 2008 meeting, the Community Planners Committee voted to place the 6th Update to the Land Development Code on its next agenda as an action item. Previously, the Community Planners Committee had only heard the matter on an informational basis.

The Community Planners Committee also voted to request the Planning Commission not take formal action on the 6th Update to the Land Development Code until it receives the recommendations of the Community Planners Committee.

The next Community Planners Committee meeting will be on June 24, 2008, and any recommendations made will be immediately forwarded.

Sincerely,

Leo Wilson
Chair
Community Planners Committee
