Dear Mr. Wahl:

The purpose of my letter is to address the increased speed limit on Carmel Park Drive between Worsch Drive and Del Mar Trails Road that is being considered by the Board. I favor the limit increase from 25 mph to 30 mph. The increase in speed will allow the school to address traffic issues and request that the city implement traffic calming measures and the use of speed radars.

Our concern is the safety of the school children in the area. We appreciate the new crosswalks that have been recently added for safer crossing. Traffic calming measures and speed radars will add to the neighborhood awareness.

Thank you for your attention to this matter.

Sincerely,

Eileen Mary Delaney
