1. *Motion: Morton – Findings can be made to support the project so long as additional articulation to 1st and 2nd floor of North and South of design are made.*
2. *2nd: Naegle*
3. *Approved: 3-2-0*

*** April CPA requested applicant to return to PRC to address the following:**

1. Provide diagrams and exhibits that clearly show how the development complies with the La Jolla Community Plan and the La Jolla Shores PDO.
2. The discussion at the CPA meeting suggested that the current design does not in fact fully comply. Therefore, consider stepping back the second level façade from the first level in a meaningful way as well as provide further articulation.
