- 1.) Rate Changes and Solar Net Metering:** SDG&E has changed their rate structure from a 4 tier system to a transitional 3 tier system (as of September), in anticipation for the change to the 2 tier system in Spring 2016. Solar net metering is set to expire sometime between February and June 2016. There are several proposals being reviewed by the California Public Utilities Commission to decide what happens next. Alex Landau will explain what this all means and how this effects power utility ratepayers.
