(#2) SRCA/SR Community Center parking lot re-paint (D/P/A item)

After 20 years, the community center parking lot needs adjustments to accommodate our senior residents in Scripps Ranch. The need for two additional ADA (American with Disabilities Act) spaces has been requested by the community. MRNPC can consider payment for the parking lot re-paint improvement from the MRN developer funds. I have received a quote (\$750.00) for the SR info Center parking lot re-paint from Casey Smith on July 11th, 2014. CAM Services has been recommended for the work.

On the Consent Agenda:

Approval of June 3, 2014 minutes

The minutes will be circulated among the members as a PDF document prior to the meeting via email. An opportunity to request corrections will be made in the meeting. Should no such requests be made, the Chair will deem the minutes adopted by unanimous consent.

In other matters:

1. MedImpact/ Sudberry / Watermark Project

MRNPC continues to receive project updates and is working with the developer to monitor and implement the proposed traffic improvements. Tom Meissner attended a meeting with the developer, city traffic engineers and community members on July 7th to discuss the request for a raised median break on Scripps Highlands Drive (SHD). At this time, the request for a median break on SHD has not been approved by the City.

5. MRN 20th Anniversary – 5K Fun Run Event – December 6, 2014

The SRCA was awarded a \$10,000 grant to host the 20th Anniversary MRN 5K Fun Run Event on Saturday, December 6, 2014. This event will start the Fire Station 37, ending at Spring Canyon Park. 7. Public Facility Financing Plan (PFFP) review

The MRN PFFP review has been rescheduled for the September 2, 2014 meeting.

The MRN PFFP Manager, Ms. Angela Abeyta, will provide us the opportunity to discuss the PFFP plan and ask any questions. A good place to start with the review prior to attending is at the City of San Diego PFFP

8. AT&T Mobility – Sycamore Estates – Project Number 351705

The new AT&T wireless facility in the Rancho Encantada planning area/water tank was presented to the planning commission (PC) on May 29, 2014. The project was continued to June 19, 2014 and at this meeting approved by a vote of 6-0. At the June 19th PC meeting, Rancho Encantada residents voiced concerns with the proximity of the project antennas, lack of noticing to residents in the neighboring area and the incorrect address location for the water tank. Both MRNPC and Scripps Miramar Ranch Planning Group (SMRPG) chairs were available at the June 19th PC meeting for questions. The project application has been appealed by Rancho Encantada residents and this item is tentatively scheduled for City Council hearing on September 22, 2014 or September 29, 2014.

MRNPC Chair's Report will become part of the public meeting record.

Without community service, we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop.
