Attendance by all elected planning group members at a COW session is required by City Council Policy 600-24, "Standard Operating Procedures and Responsibilities of Recognized Community Planning Committees." It is also a great opportunity to hear dialogue about operations of community planning groups, and the generally required procedures. This is a 4-hour workshop that includes breakout sessions with speakers from a variety of City departments.

3. Item from Philip Linssen, board member of the Adams Ave. Business Association
4. The City of San Diego Land Development Review division has prepared a draft Program Environmental Impact Report (PEIR) for the Draft General Plan dated October 2006. The draft Program Environmental Impact Report is available on the City of San Diego website at: <http://clerkdoc.sannet.gov/Website/publicnotice/pubnotceqa.html>; and <http://www.sandiego.gov/planning/genplan/index.shtml>

Action Items

1. Project Review – NONE RECEIVED

2. Development of Normal Heights “wish list” and prioritization. Members and attendees will ‘brain-storm’ to add to existing lists of projects needed in Normal Heights. Establishing a list, estimating costs and timeframes will precede a prioritizing process to be held at subsequent meetings.
