

# PALM AVENUE REVITALIZATION PLAN FACT SHEET

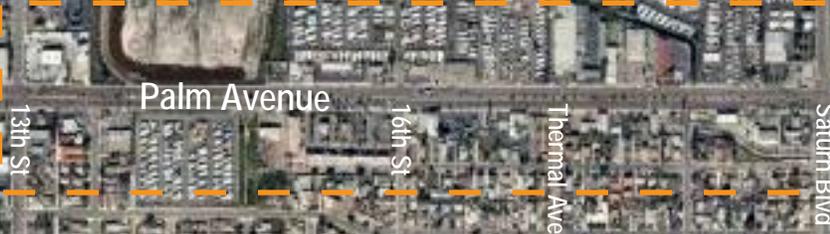

## PROJECT GOALS

The City of San Diego is preparing the Palm Avenue Revitalization Plan.

- Improve vehicle, pedestrian, and bicycle mobility
- Guide future urban design
- Encourage investment
- Promote economic development

## Project Area

## KEY PROJECT DATES

### *Bike & Walk Audit - April 2015*

Gain a better understanding of issues and concerns related to walking and cycling on Palm Avenue.

### *Community Workshop #1 - June 2015*

Help the project team develop the Urban Design Vision and Mobility Strategy.

### *Community Workshop #2 - October 2015*

Assist the project team in developing the multi-modal mobility recommendations.

### *Community Workshop #3 - January 2016*

Review and comment on the draft mobility recommendations, design concepts, and the draft Palm Avenue Revitalization Plan.
