Following the introductions D. Wylie announced purpose of the meeting, the routine for the evening, time limits and time of adjournment. She also announced that since Jay Shumaker could not attend he had sent a staff member Chris Zolezzi to show a short video which displayed some of his work.

Dee Wylie then introduced Cal Davis Board Member who conducted the question portion of the meeting.

Questions that had been submitted by various Peninsula groups were then submitted to each Candidate with request to honor a 3 minute time frame. Forum attendees then submitted questions from the audience for the panel.

Many questions were asked and answered and all Candidates performed well giving approximately 55 audience members a chance to learn more about each one for the benefit of voting which was to take place the following night at the regular meeting site at the Library located at 3701 Voltaire Street.

Meeting was adjourned at 7:30 by Dee Wylie.
