2728 Sixth Avenue**

I. Call to Order and Introductions

II. Adoption of Agenda and Rules of Order

III. Public Communication – Pursuant to California Government Code Section 54954.3, as applicable to special meetings, members of the public will be provided the opportunity to make public comment regarding the special order of business on the agenda. There will be no non-agenda public comment.

IV. Special Order of Business

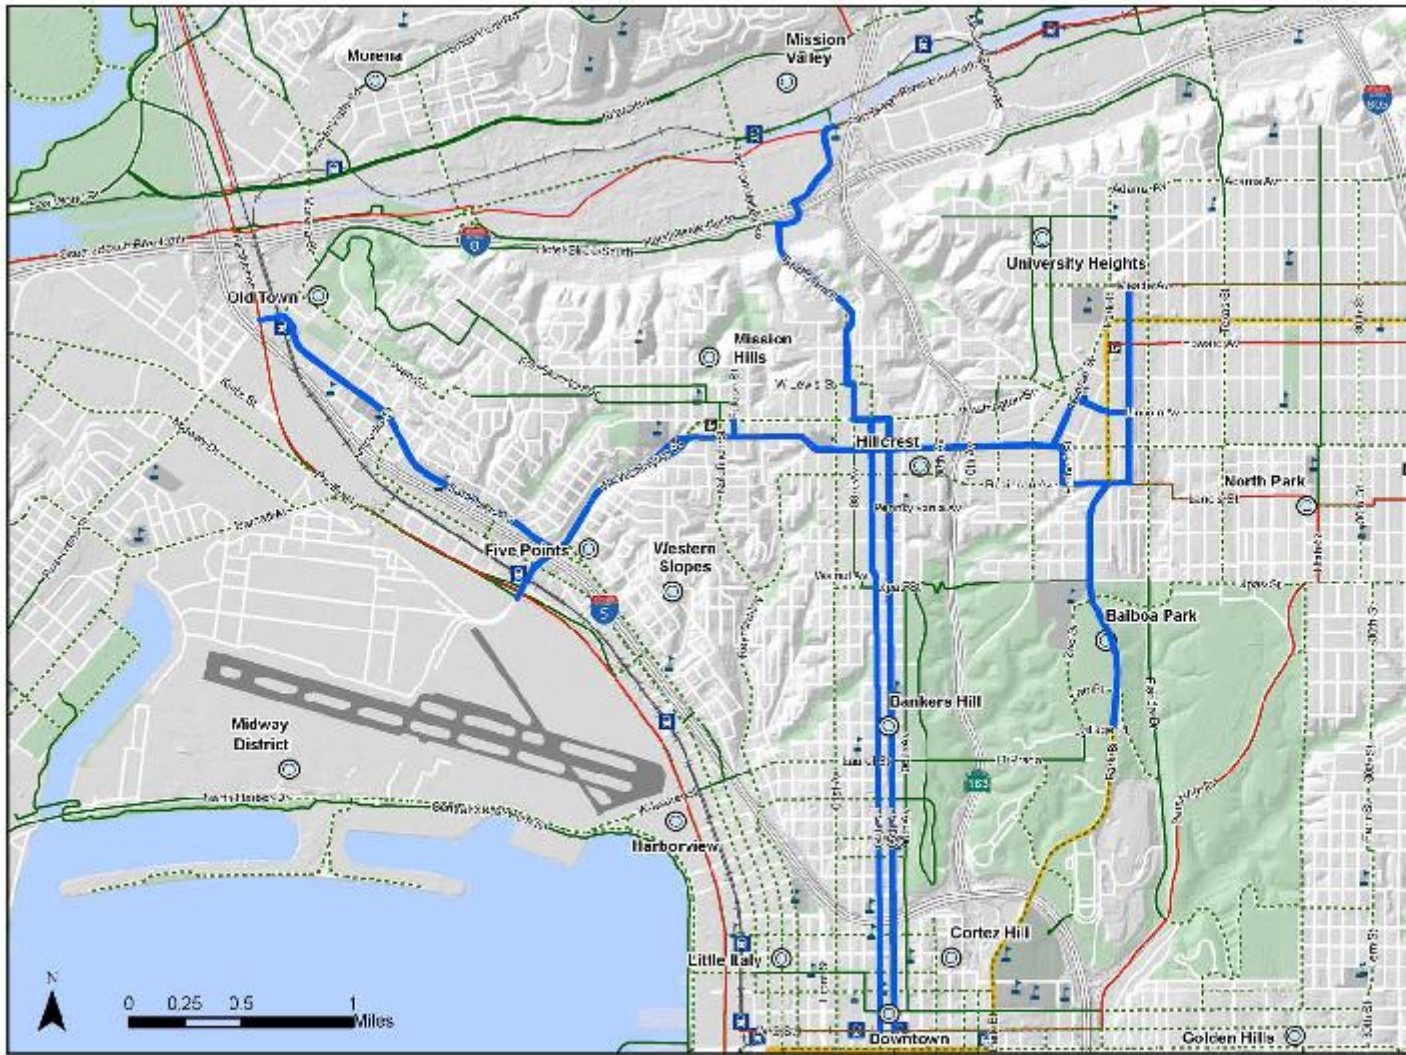

- 1. UPTOWN BIKE CORRIDOR PROJECT** – SANDAG is in the process of preparing draft project alignments for bicycle lanes for the Uptown Regional Bike Corridor Project in Hillcrest, Mission Hills, Bankers Hill/Park West and Five Points/ Middletown; involving potential modifications to traffic flow, removal of traffic lanes, and alterations to parking on Fifth Avenue, Fourth Avenue, Washington Street, University Avenue, and San Diego Avenue, as well as other streets in Uptown (See attached map).

Potential alignments under SANDAG review include making the western portion of University Avenue into a one-way street, with a full or partial closure of the University Avenue Bridge over Washington Street to automobile use; the potential removal of traffic lanes and parking on University Avenue, Washington Street, Fifth Avenue and Fourth Avenue. Alternative plans have been proposed by various community stakeholders; Uptown Planners voted to support the Transforming Hillcrest alternative for University Avenue between First Avenue and Normal Street on September 2, 2014;
