## ARCHAEOLOGY SUBCOMMITTEE

Monday, February 14, 2011, at 4:30 PM  
5<sup>th</sup> Floor Large Conference Room  
City Administration Building  
202 C Street, San Diego, CA

*The Archaeology Subcommittee is a subcommittee of the City of San Diego's Historical Resources Board. It is primarily composed of Historical Resources Board members who have expertise or are interested in pre-contact and historic archeology and cultural landscapes. The Subcommittee is not a voting entity, but rather a forum for discussing issues and solutions related to historic resources and their preservation. Comments at the meeting do not predispose future positions on any matter or project by the Historical Resources Board.*

*Members of the public will be allowed an opportunity to speak, for up to one minute each, at the end of the Subcommittee's discussion on an agenda item. Each member of the public is required to state their name and the organization (if any) that they represent prior to their one minute presentation.*

## MEETING AGENDA

1. Introductions
2. Public Comment (on matters not on the agenda)
3. Various Issues:

3a. Presidio Bird Bone Grant Proposal. Susan Arter and Aaron Sasson made a brief presentation at the January Presidio Park Council meeting to introduce their grant proposal for conducting a non-invasive bird bone study using the specimens from the Presidio Collection. Staff and the Park Council requested a few revisions to their original proposal which now includes a schedule and cost breakdown. The revised Proposal is first being forwarded to the HRB Archaeology Subcommittee for recommendation. The Presidio Park Council will then have this as an action item at their meeting in March. Final approval will need to come from the Director of the Park and Recreation Department. No specimens will be removed from the Presidio Lab until all required funds have been secured for the actual study.

4. Adjourn

Next Archaeology Subcommittee Meeting will be on March 14, 2011 at 4:00 PM.
