The Archaeology Subcommittee is a subcommittee of the City of San Diego's Historical Resources Board. It is primarily composed of Historical Resources Board members who have expertise or are interested in pre-contact and historic archeology and cultural landscapes. The Subcommittee is not a voting entity, but rather a forum for discussing issues and solutions related to historic resources and their preservation. Comments at the meeting do not predispose future positions on any matter or project by the Historical Resources Board.

Members of the public will be allowed an opportunity to speak, for up to one minute each, at the end of the Subcommittee's discussion on an agenda item. Each member of the public is required to state their name and the organization (if any) that they represent prior to their one minute presentation.
