San Diego Architectural Foundation Built Environment Education Program (BEEP)

SAN DIEGO
ARCHITECTURAL
FOUNDATION

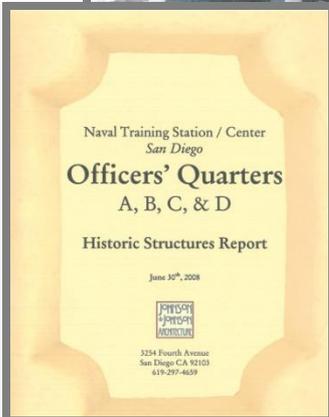

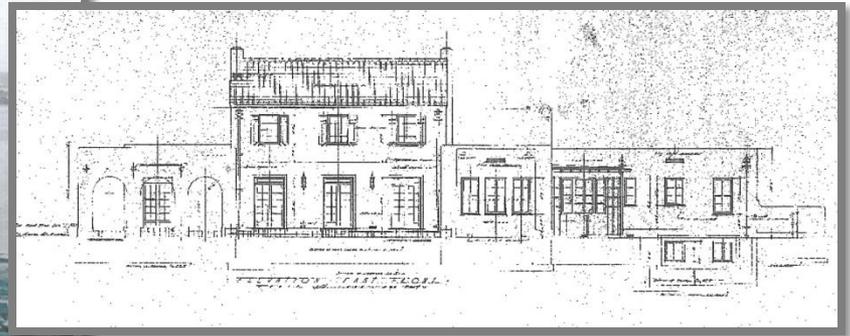

The newly developed BEEP Lesson Manual is an education tool comprised of 15 lessons prepared in support of teaching children educational concepts based on the built environment themes of “Planning & Building Cities”, “Architectural History”, “Architecture as Geometry”, “Sustainable Planning & Design”, “Landscape as a Resource” and “Human Geography”.

Education

A faded background image showing a large building with a prominent tower and dome, surrounded by trees and a clear sky. The word 'Education' is written in a large, yellow, cursive font across the bottom right of the image.
