

CITY OF SAN DIEGO HISTORICAL RESOURCES BOARD POLICY SUBCOMMITTEE

Monday, August 13, 2012, 3:00 PM to 4:00 PM

Conference Room 5C

Development Services Building
1222 First Avenue, 5th Floor, San Diego, CA

The Policy Subcommittee is a subcommittee of the City of San Diego's Historical Resources Board. It is primarily composed of Historical Resources Board members who are interested in policy matters. In general, the Subcommittee is not a voting entity, but rather a forum for discussing issues and policy matters related to historic resources and their preservation. Comments at the meeting do not predispose future positions on any matter by the Historical Resources Board.

Members of the public will be allowed an opportunity to speak, for up to one minute each, at the end of the Subcommittee's discussion on an agenda item. Each member of the public is required to state their name and the organization (if any) that they represent prior to their one minute presentation.

MEETING AGENDA

1. Introductions
2. Public Comment (on matters not on the agenda)
3. Issues:
 - 3a. Automatic Local Listing of State and National Register Properties: The La Jolla Historical Society has requested that the City consider revising the code to automatically designate and list on the City's Register any property formally listed on or determined eligible for listing on the State or National Registers. This would be an initial discussion of the considerations and process.
 - 3b. Draft Statewide Historic Preservation Plan: The California State Office of Historic Preservation (OHP) has released the Draft 2012-2017 Statewide Historic Preservation Plan for review and comment. The Subcommittee will review the Draft Plan and provide comments for inclusion in the City's official response to OHP. The Draft Statewide Historic Preservation Plan can be found online:
