

CITY OF SAN DIEGO

PEDESTRIAN MASTER PLAN

Phase 4

OPEN HOUSE

project findings & recommendations

The City of San Diego is developing a Pedestrian Master Plan (PMP) to guide the planning and implementation of pedestrian improvement projects. The Pedestrian Master Plan will help the City enhance neighborhood quality and mobility options by facilitating pedestrian improvement projects. Over the past several months, the project team has conducted field investigations, researched existing conditions and reviewed planning documents to develop recommended improvements for the seven communities included in Phase 4 of the Master Plan:

- College
- Kensington/Talmadge
- Midway/Pacific Highway
- Old San Diego
- Ocean Beach
- Pacific Beach
- San Ysidro

In December 2012, the City and consultant team will conduct two Open House style public meetings to provide an update on the project progress. We encourage you to join us at either of these two events to discuss the Pedestrian Planning Process, review the Preliminary Recommendations and share your concerns and ideas for your community. Drop by anytime between 5:00 and 8:00 p.m. on December 5th or 12th to review the detailed information for each community. City staff will be on-hand to help answer any questions you may have.

Wednesday, December 5th

5:00 to 8:00 p.m.
College-Rolando Library
6600 Montezuma Road

Wednesday, December 12th

5:00 to 8:00 p.m.
Caltrans Headquarters, Garcia Room
4050 Taylor Street

On Wednesday, January 9th a focused Presentation will be held for the San Ysidro community in conjunction with the Community Plan Update Advisory Committee meeting:

Wednesday, January 9th
(Advisory Committee Meeting)
6:00 p.m. @ Willow School
226 Willow Road
