SDPD SEEKING RECRUITS; NEXT TESTING SCHEDULED NOVEMBER 17 AND 18, 2006

(San Diego) The San Diego Police Department is hiring and will conduct testing this week for those interested in becoming officers.

The Mayor and the City Council have committed the necessary funding to increase the number of San Diego police officers. As a result, SDPD is actively recruiting new hires and lateral transfers (officers currently working for other law enforcement agencies).

The city of San Diego is testing for the position of police officer on November 17 and 18 at the Balboa Park Club Ballroom, located at 2150 West Pan American Road.

Testing begins at 8 a.m. on November 17; first come first served. If the applicant passes the written exam he or she will be asked to return the following day, November 18, for the physical ability test and the pre-investigative questionnaire.

You must be at least 20 ½ at the time of the written test and 21 by your academy graduation date. A high school diploma or equivalency is required.

If you possess integrity, motivation and desire to be part of an exciting, rewarding career, call **619-531-COPS** for more information about how to become one of "San Diego's Finest" or visit SDPD's website at www.sandiego.gov/police
