### **POLICE ARREST SUSPECT IN 2006 CHOLLAS VIEW MURDER**

**San Diego Police Department Homicide Detectives have arrested a suspect in the August 2006 murder of 17-year old Michael Daniels in Chollas View.**

**On August 6, 2006, Michael Daniels was shot as he stood with three companions in the 4700 block of Guymon Street. He died a short time later after being transported to the hospital.**

**During the follow-up investigation, detectives identified Adrian Zevon Lewis (21) as a suspect in Daniels' death. A warrant was issued for his arrest. On Monday, January 22, detectives arrested Lewis at a residence in the 4100 block of San Miguel Avenue. *(see photo of Adrian Lewis below)***

**Lewis was booked into San Diego County Jail for one count of murder.**
