October is National Domestic Violence Awareness Month. In recognition of the services that the Family Justice Center provides to domestic violence victims, Verizon will be awarding \$150,000 grant to the Center's foundation. This generous donation will allow the Center to continue to provide services, including financial literacy classes, computer training, group therapy and other support classes to domestic violence victims throughout the County.

Join San Diego Police Chief William Lansdowne, District Attorney Division Chief Pat McGrath, City Attorney Jan Goldsmith, San Diego Fire Chief Javier Mainar, City Council member Marti Emerald and Verizon Wireless Region President Luis Cruz in commemorating this occasion.
