MISSING PERSON DARA OUCH LOCATED

(San Diego, CA) San Diego Police Department Missing Persons Unit detectives have located Dara Ouch in Tijuana, Mexico.

Dara Ouch suffers from schizophrenia and had not been taking his medication prior to his disappearance on November 8, 2011. Family members were concerned for his safety and reported him as a missing person.

On November 14, 2011, Ouch was found wandering the streets in Tijuana, Mexico by strangers who were also concerned about him. A family took him into their home and attempted to assist him to contact his family in San Diego, but, due to a language barrier, were not successful.

On November 23, 2011, Ouch was finally returned to the US-Mexico border crossing where he was turned over to authorities in San Diego. Ouch has been reunited with his family. He was found in good health.
