College Area DUI Checkpoint Operation Nets Three Arrests

On Saturday, February 11, 2012, the San Diego Police Department conducted a DUI checkpoint in the 5800 block of Montezuma Road in the College area. The checkpoint was made possible by a UC Berkeley "DUI Mini Grant."

The checkpoint was operational from 10:33pm to 2:30am. 715 vehicles passed through the checkpoint. 646 of those vehicles were contacted by officers. Nine motorists were detained for a further evaluation of their sobriety. Two arrests were made for DUI, and two vehicle impounds were conducted at the checkpoint. One additional DUI arrest was made near the checkpoint, and that driver was also charged with possession of narcotics for sale. Two additional vehicle impounds were conducted near the checkpoint for driver's license violations, with those drivers receiving citations for driver's license related offenses.

"The message is simple, *Drive Sober or Get Pulled Over*. Drinking alcohol and driving do not mix. If you plan to consume alcohol, you should also plan not to get behind the wheel of a vehicle or ride a motorcycle," said Officer Mark McCullough.

Officer McCullough recommends these simple tips:

- Plan a safe way home before the festivities begin;
- Before drinking, designate a sober driver and leave your car keys at home;
- If you're impaired, use a taxi, call a sober friend or family member, or use public transportation;
- If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement - Call 911; and
- remember, "RUOK?" is a ridiculous question. If you think they've had too much to drink, they probably have. Help him or her make other arrangements to get home safely.
