University Heights DUI Checkpoint and Patrol Net Eight Arrests

On Saturday, February 25, 2012, the San Diego Police Department conducted a DUI checkpoint in the 2100 block of El Cajon Boulevard, in University Heights. The checkpoint was made possible by a UC Berkeley "DUI Mini Grant."

The checkpoint was operational from 9:50pm until 12:22am. 519 vehicles passed through the checkpoint. 492 of those vehicles were screened by officers. Fourteen of those drivers were detained for an evaluation of their sobriety. Three arrests were made for DUI, and six vehicle impounds were conducted.

Officers later conducted DUI saturation patrols in Hillcrest and North Park. Five additional arrests were made for DUI, and one driver was arrested for an outstanding felony warrant.

"The message is simple, ***Drive Sober or Get Pulled Over***. Drinking alcohol and driving do not mix. If you plan to consume alcohol, you should also plan not to get behind the wheel of a vehicle or ride a motorcycle," said Officer Mark McCullough.

Officer McCullough recommends these simple tips:

- Plan a safe way home before the festivities begin;
- Before drinking, designate a sober driver and leave your car keys at home;
- If you're impaired, use a taxi, call a sober friend or family member, or use public transportation;
- If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement - Call 911; and
- remember, "RUOK?" is a ridiculous question. If you think they've had too much to drink, they probably have. Help him or her make other arrangements to get home safely.
