### **POLICE INVESTIGATE DEATH IN CHOLLAS CREEK**

San Diego Police Department Homicide Unit detectives are investigating the death of a woman inside a Chollas Creek apartment.

This evening, at approximately 7:00 p.m., officers were dispatched to an apartment in the 5100 block of University Avenue on the report of a death. Officers arrived and discovered a deceased female on the living room floor of the one bedroom apartment.

The resident of the apartment had left for the weekend, leaving his adult son, the victim, and an adult friend to stay in the apartment for the weekend. The resident returned home this evening to find the deceased female and the two men gone. The resident called the police.

It is not known when the son and his friend left the apartment, or when the female died. Detectives are currently looking for son of the resident and his friend, believed to be local. The detectives are processing the scene for evidence and interviewing other residents of the apartment complex.

The cause of the woman's death is not known. At this time, she has not been identified.
