Mission Bay DUI Checkpoint Nets Eight Arrests

On March 15, 2013 the San Diego Police Department conducted a DUI checkpoint in the 4200 block of Mission Bay Drive, in the Mission Bay Park area. The checkpoint was made possible by a California Office of Traffic Safety (OTS) "DUI Mini Grant."

The checkpoint was operational from 10:58 p.m., until 3:00 a.m. 1651 vehicles passed through the checkpoint. 969 of those vehicles were screened by officers. Eighteen motorists were detained for a further evaluation of their sobriety. Eight arrests were made for DUI in the checkpoint, and nine vehicle impounds were conducted. One citation was issued for having an open alcohol container in a vehicle, and one citation was issued for marijuana possession.

"The message is simple, ***Drive Sober or Get Pulled Over***. Drinking alcohol and driving do not mix. If you plan to consume alcohol, you should also plan not to get behind the wheel of a vehicle or ride a motorcycle," said Officer Mark McCullough.

Officer McCullough recommends these simple tips:

- Plan a safe way home before the festivities begin;
- Before drinking, designate a sober driver and leave your car keys at home;
- If you're impaired, use a taxi, call a sober friend or family member, or use public transportation;
- If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement - Call 911; and
- remember, "RUOK?" is a ridiculous question. If you think they've had too much to drink, they probably have. Help him or her make other arrangements to get home safely.
