### **HOMICIDE DETECTIVES INVESTIGATE SUSPICIOUS DEATH IN CARMEL MOUNTAIN**

On Thursday, April 24, 2014, at approximately 9:15 a.m., a concerned citizen called 9-1-1 to report an unconscious female in her home in the 11700 block of Stoney Peak Dr. in the Carmel Mountain area of San Diego. A friend of the deceased woman became concerned when she did not show up for work today and she did not call in to advise co-workers of her absence. This was very uncharacteristic of the deceased women.

Medics and Police responded and found an unconscious 51-year-old White female. Medics pronounced the female dead at the scene.

There were no obvious signs of trauma and the cause of death is unknown at this time.

Detectives are investigating this incident as a suspicious death pending the autopsy results.

The identity of the female is being withheld until the family is notified.
