POLICE INVESTIGATE SUSPICIOUS DEATH IN THE SAN YSIDRO RIVER BASIN

On Tuesday, March 10, 2015, at 5:16 p.m., the San Diego Police Department was notified by U.S. Border Patrol Agents of a body found in the drainage canal along the United States Border, adjacent to the San Ysidro Port of Entry.

When officers arrived, they located the decomposed body of an unknown male lying in the river basin. Detectives were unable to determine a cause of death due to the condition of the body, but evidence obtained at the scene indicates a suspicious death. The Medical Examiner will conduct an autopsy to determine the victim's identity and cause of death.

Anyone with information related to this incident is encouraged to call the San Diego Police Department's Homicide Unit or Crime Stoppers at 888-580-8477.
