Helping to Prevent Auto-Theft in the Beach Communities

San Diego, CA – Recently, we have seen an increase in the number of auto thefts in the beach communities. A number of these crimes can be deterred and prevented with a little help from community members and visitors. In several of these auto theft cases, the victims placed the keys in a “hidden” location on their vehicle while they left to enjoy the beach. We highly recommend community members end this practice and seek a secure alternative.

For more information contact: Sergeant James Kistner from the Auto Theft Unit, jkistner@pd.sandiego.gov
