### **POLICE INVESTIGATE DOUBLE HOMICIDE AND SUICIDE IN RANCHO PENASQUITOS**

On Tuesday, January 20, 2015, at 11:21 a.m., San Diego Police Officers responded to a residence in the 9500 block of High Park Lane to check the welfare of a family who had not been seen for the past two days.

Responding officers checked the perimeter of the residence and while looking through a back window, saw a deceased adult female in the kitchen area. The officers made entry into the residence and located an adult male and a male child deceased in the upstairs bedroom. All three subjects had suffered gunshot wounds to the upper body.

Based on the evidence recovered from the scene and physical examinations by forensic pathologists, the preliminary conclusion is the adult male shot the female and child before killing himself.

The identities of the victims are known, but will not be released pending family notifications.

Anyone with information related to this incident is encouraged to call the San Diego Police Department's Homicide Unit or Crime Stoppers at 888-580-8477.
