## ADMINISTRATIVE CITATION PROGRAM

Beginning December 1, 2007 the San Diego Police Department expanded the Administrative Citation Program to include all of Northern Division. The expanded areas cover Mission Beach, Pacific Beach, Clairemont, La Jolla, University City, and Bay Park. The Program will soon expand to all police divisions throughout the City.

The Administrative Citation Program is another tool available to officers responding to noise complaints in residential neighborhoods. Each resident at a loud and disturbing party can be issued a \$1,000.00 citation for violations of the noise ordinance. Under certain circumstances, the property owner can also receive a \$1,000.00 citation, even if not present at the party.

The Program has been utilized in the Mid-City Division since May 1st and has been very successful in reducing chronic party locations in the SDSU area.
