**APPLICANTS:** The right of reasonable inspection shall be a condition for issuance of a police permit. If a permit is issued, representatives of the police department shall have access to the business premises, during normal business hours, which may include entry into the non-public portion of the business.

It is the responsibility of the permit holder to renew the permit no later than ten (10) calendar days after the expiration date on the permit. Failure to renew on time will result in penalty fees. If a renewal is not complete with all fees and penalties paid within thirty (30) days after the permit expiration date, the permit expires and business operations, occupations, or activities allowed by the permit must cease. A permittee must then begin the application process as a new applicant. (Section 33.0308 of the San Diego Municipal Code)

I declare under penalty of perjury that the statements made on this application, including accompanying documents, are true, complete and correct to the best of my knowledge and belief. I understand that any false statements are grounds for denial of this application or loss of licensure and that I may be subject to prosecution per section 11.0401(b) of the San Diego Municipal Code.
