Join us for the launch of a groundbreaking system of
education – all based on the power of music!

MAY 8, 2010 12:30 PM - 1:50 PM

**CITY HEIGHTS
PERFORMANCE ANNEX**

Brought to you by:

Help your children begin the most important journey of their lives with The Circle of Education, a new Preschool Kindergarten Readiness Program developed in partnership with Baby Genius and San Diego State University. The Circle of Education uses catchy jingles written and developed to teach and help children when they transition from Preschool to Kindergarten. As they learn each song, it creates a path to guide their behavior in class. The curriculum becomes a reinforcement tool for parents to become more involved in their children's education and learning process. Come join the fun and sing along!!

City Heights Performance Annex | 3795 Fairmount Avenue | San Diego, CA
