Sufism is the inner journey of self-discovery, practiced by those who have yearned to discover the hidden truth within. The message, be it expressed in the verses of the Holy Quran, or in the beautiful poetry of imminent Sufi Masters, is one and the same: The way to knowledge and peace is through a path of self-realization.

Join Dr. Farnaz Khoromi of ***Maktab Tarighat Oveyssi Shahmaghsoudi, School of Islamic Sufism*** in an evening ***of Sufi Poetry***, and discussion of Sufism as essential element at the core of the Islamic faith.
